ALLEGANY COUNTY MAN DIES FROM COMPLICATIONS OF COVID-19 Patient was not connected with nursing home outbreak

CUMBERLAND, MD – The Allegheny County Health Department reports that an Allegheny County man in his 70s has died as a result of complications from COVID-19. He had been hospitalized for some time and had multiple underlying medical conditions. This individual is not connected to the recent COVID-19 outbreak at a local nursing home.

“We are greatly saddened to report that an Allegheny County resident has died as a result of complications from COVID-19,” stated Jenelle Mayer, Health Officer for Allegheny County. “Our thoughts are with his family at this difficult time.”

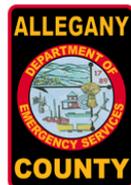

To date, there have been 32 confirmed cases of COVID-19 in Allegheny County.
