License Number: LC5101 * **Case Number: 2014-24**

* * * * *

On the 15th day of July, 2014, the Maryland State Board of Professional Counselors and Therapists (the "Board") notified **ALVOID W. WASHINGTON, LCPC** (Licensed Clinical Professional Counselor)(the "Respondent"), License Number LC5101, of its intent to revoke his license to practice clinical professional counseling in the State of Maryland under the Maryland Professional Counselors and Therapist Act (the "Act"), Md. Code Ann., Health Occ. ("Health Occ.") §§ 17-101 *et seq.* (2009 Repl. Vol.).

Specifically, the Board based its action on the Respondent's violation of the following provisions of the Act under Health Occ. § 17-509, which provide:

Subject to the hearing provisions of § 17-511 of this subtitle, the Board, on the affirmative vote of a majority of its members then serving, may deny a license or certificate to any applicant, place any licensee or certificate holder on probation, reprimand any licensee or certificate holder, or suspend or revoke a license of any licensee or a certificate of any certificate holder if the applicant, licensee, or certificate holder:

- (1) Fraudulently or deceptively obtains or attempts to obtain a license or certificate for the applicant, licensee, or certificate holder or for another;
- (6) Willfully makes or files a false report or record in the practice of counseling or therapy;
- (8) Violates the code of ethics adopted by the Board;

- (10) Is convicted of or pleads guilty or nolo contendere to a felony or a crime involving moral turpitude, whether or not any appeal or other proceeding is pending to have the conviction or plea set aside;
- (13) Violates any rule or regulations adopted by the Board;
- (14) Is disciplined by a licensing or disciplinary authority of any other state or country or convicted or disciplined by a court of any state or country for an act that would be ground for disciplinary action under the Board's disciplinary statutes; and
- (16) Commits an act of immoral or unprofessional conduct in the practice of clinical or nonclinical counseling or therapy.

The underlying violations of the code of ethics and the rule or regulations adopted by the Board under Health Occ. § 17-509(8) and (13) include the following violations of Md. Code Regs. ("COMAR") 10.58.03:

.03 Professional Competence.

A. A counselor shall:

- (1) Practice only within the boundaries of a counselor's competence, based on education, training, supervised experience, and professional credentials;

.04 Ethical Responsibility.

A. A counselor shall:

- (3) Notify the Board if the counselor's license, or certificate, or both, has been limited, restricted, suspended, revoked, or subject to disciplinary action by any other state, federal agency, or the District of Columbia.

- (11) Be familiar with and adhere to this chapter.

B. A counselor may not:

- (2) Participate in dishonest, fraudulent, or deceitful activity in the capacity of a counselor.

Under Health Occ. § 17-509(14), the underlying grounds for disciplinary action under the Board's disciplinary statutes include Health Occ. § 17-509:

- (1) Fraudulently or deceptively obtains or attempts to obtain a license or certificate for the applicant, licensee, or certificate holder or for another; and
- (6) Willfully makes or files a false report or record in the practice of counseling or therapy.

In its Notice, the Board informed the Respondent that he had the opportunity to request a hearing before the Board by submitting a request in writing to the Board's Executive Director within thirty days of service of the Notice. More than thirty days have elapsed since the service of the Notice on the Respondent, and the Respondent has not requested a hearing.

FINDINGS OF FACT

The Board makes the following findings of fact:

BACKGROUND

1. At all times relevant hereto, the Respondent was licensed to practice clinical professional counseling in the State of Maryland. The Respondent was originally licensed to practice clinical professional counseling in Maryland on May 29, 2013, under License Number LC5101. The Respondent's license is current until January 31, 2015.

2. The Board received a complaint against the Respondent on or about March 28, 2014, from a health care provider (the "Complainant")¹ at a counseling facility ("Facility A") in Maryland. In the complaint, the Complainant stated that during a

background check of the Respondent for employment as a licensed provider at Facility A, she discovered that the Respondent's license to practice professional counseling in the District of Columbia ("D.C.") was revoked in 2012 and that he was then serving a criminal sentence in D.C. for having fraudulently obtained a health occupations license there.

3. Based on the complaint, the Board initiated an investigation of the Respondent.

BOARD INVESTIGATION

Initial Application for Licensure

4. The Respondent filed an "Out of State Board Application for LCPC" (the "Initial Application"), on or about July 19, 2011, applying for a LCPC license with the Board based on his D.C. professional counselor's license.

5. To the Initial Application, the Respondent attached a document purporting to be an academic transcript from the University of Maryland, Office of the Registrar, stating that he earned 61 credits from Spring 2008 to Fall 2009, with a grade point average of 3.71.

6. The Respondent attached a second document to the Initial Application purporting to be a diploma from the University of Maryland, College of Graduate Studies, conferring upon him a Doctor of Philosophy ("Ph.D.") degree in Clinical Psychology, dated December 18, 2009.

7. Relying in part on the Respondent's representation that he was awarded a Ph.D. in Clinical Psychology from the University of Maryland on December 18, 2009, the Board issued him a LCPC license on May 29, 2013.

8. Board investigation determined that the Respondent never attended the University of Maryland, College of Graduate Studies and that the academic transcript and diploma he submitted with his Initial Application were forged documents. On or about March 31, 2014, the Board's investigator contacted a supervisor at the University of Maryland, College Park, Office of the Registrar, who confirmed that the Respondent never attended the University of Maryland or received a Ph.D. in Clinical Psychology from the university.

Revocation of Professional Counselor's License in D.C.

9. As a part of the Respondent's initial licensure process in Maryland based on an out-of-state license, the District of Columbia Board of Professional Counseling (the "DC Board"), verified that on October 27, 2009, it issued the Respondent a license to practice professional counseling in D.C. under License Number PRC14066.

10. On or about April 9, 2012, the DC Board served the Respondent with a "Notice of Summary Action to Suspend License." In the Notice, the DC Board charged the Respondent with: fraudulently or deceptively obtaining a license, in violation of D.C. Official Code § 3-1205.14(a)(1); fraudulently or deceptively using a license, in violation of D.C. Official Code § 3-1205.14(a)(2); filing with the Mayor and the [DC Board] statements, diplomas, certificates, or other credentials knowing or should have known that they were false or misleading, in violation of D.C. Official Code § 3-1205.14(a)(24); and practicing professional counseling without a valid license, in violation of D.C. Official Code § 3-1205.14(c).

11. The DC Board alleged in its Notice that the Respondent, in his application for licensure as a professional counselor in D.C., submitted on September 9, 2009,

falsely represented that he received: a Bachelor of Arts in Psychology from Trinity College in May 2004; and a Master of Science in Psychology from the University of Maryland, College Park, in December 2005. Moreover, the transcripts and diplomas the Respondent submitted regarding the Master of Science and Ph.D. in psychology from the University of Maryland were likewise fraudulent, as he never attended the University of Maryland. The DC Board alleged that after having fraudulently obtained a license, the Respondent practiced professional counseling in D.C. for two counseling service providers.

12. By Order, dated April 13, 2012, the DC Board revoked the Respondent's license to practice professional counseling in D.C. after he signed an affidavit voluntarily surrendering his D.C. professional counselor's license.

Criminal Convictions in D.C.

13. On or about November 5, 2013, the Respondent was charged with various counts of practicing a health occupation without a license in the Superior Court of the District of Columbia under Case Number 2013 CDC 019441.

14. On December 12, 2013, The Respondent appeared in the Superior Court of the District of Columbia and pleaded guilty to: Count 1 - Health Occupation Practice W/O License; Count 2 - Misrepresenting Oneself as a Psychologist; Count 39 - Fraudulently or Deceptively Obtained a license; and Count 40 - Fraudulently or Deceptively Used a License. The Respondent was sentenced in all four counts to confinement for 180 days with all but 155 days suspended, to be served on weekends. He was placed on supervised probation for a period of two years.

CONCLUSIONS OF LAW

Based on the foregoing findings of fact, the Board concludes as a matter of law that the Respondent's submission of forged academic transcript and diploma purporting to be from the University of Maryland in his Initial Application constitutes: Fraudulently or deceptively obtaining or attempting to obtain a license or certificate for the applicant, licensee, or certificate holder or for another, in violation of Health Occ. § 17-509(1); willfully making or filing a false report or record in the practice of counseling or therapy, in violation of Health Occ. § 17-509(6); violating the code of ethics adopted by the Board, in violation of Health Occ. § 17-509(8); violating any rule or regulations adopted by the Board, in violation of Health Occ. § 17-509(13); and committing an act of immoral or unprofessional conduct in the practice of clinical or nonclinical counseling or therapy, in violation of Health Occ. § 17-509(16). The Respondent's violation of the code of ethics and rule or regulations adopted by the Board includes: COMAR 10.58.03.03A(1), 10.58.03.04A(3) and (11), and 10.58.03.04B(2).

Moreover, the Respondent having his professional counselor's license revoked by the DC Board constitutes being disciplined by a licensing or disciplinary authority of any other state or country for an act that would be ground for disciplinary action under the Board's disciplinary statutes, in violation of Health Occ. § 17-509(14). The underlying grounds for disciplinary action under the Board's disciplinary statutes include Health Occ. § 17-509(1) and (6).

Finally, the Respondent's convictions for: practicing a health occupation without a license; misrepresenting oneself as a psychologist; fraudulently or deceptively obtaining a license; and fraudulently or deceptively suing a license, in the Superior

Court for the District of Columbia on or about December 12, 2013, constitute being convicted or pleading guilty or nolo contendere to a felony or a crime involving moral turpitude, whether or not any appeal or other proceeding is pending to have the conviction or plea set aside, in violation of Health Occ. § 17-509(10).

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, it is, by the affirmative vote of a majority of the Board considering this case:

ORDERED that the Respondent Alvoid W. Washington, LCPC's license to practice clinical professional counseling in the State of Maryland under License Number LC5101, be and hereby is **REVOKED**; and it is further
