

**Social Workers and Consumers who have served on the
Maryland Board of Social Work Examiners**

When the Board of Social Work Examiners was created in 1975 the Board consisted of 5 members (4 social workers and 1 consumer member). Currently the Board consists of 12 members (10 social workers and 2 consumer members). All members are appointed by the Governor and are expected to fulfill the responsibilities of the Board as mandated by Statute and Regulations. This includes committee meetings, disciplinary conferences, monthly Board meetings and occasionally testifying in the Maryland General Assembly on bills that may impact the practice of social work.
