

# ISOLATION RATES At a Glance

## COVID-19 DDA Services

*Temporary changes, effective March 13, 2020, and Revised December 12, 2022.*

### Availability of Isolation Rates

- The following service rates may be increased for supporting people that have positive determination for the COVID-19 virus, and therefore are required to be isolated. It may also be used when a person: is symptomatic; awaiting testing results; tested negative and still symptomatic; isolate from roommates that are waiting for test results; or just recently discharged from a hospital, and therefore are required to be isolated.
  - Community Living - Group Home
  - Nursing Services (e.g., Nurse Health Case Management & Delegation Services, Nurse Consultation, and Nurse Health Case Management)
  - Personal Supports
  - Shared Living
  - Supported Living
- Isolation Rates can be requested and may be billed up to 21 days unless otherwise authorized by the DDA while the person is in isolation (**Ends on June 30, 2023**)

### Isolation Rate

- Rates are increased by up to 50% (Ends on **June 30, 2023**)
- Increased rate for the Community Living-Group Home service includes add-ons

### Isolation Rates Documentation and Billing

- DDA will share detailed billing and documentation guidance
- Providers must maintain and submit documentation of direct service delivery supports, and the positive determination result to support the increase rate upon request by the DDA
