

ISOLATION RATES At a Glance

COVID-19 DDA Services

Temporary changes, effective March 13, 2020, and Revised March 14, 2022

Availability of Isolation Rates

- The following service rates may be increased for supporting people that have positive determination for the COVID-19 virus, and therefore are required to be isolated. **It may also be used when a person: is symptomatic; awaiting testing results; tested negative and still symptomatic; isolate from roommates that are waiting for test results; or just recently discharged from a hospital, and therefore are required to be isolated.**
 - Community Living - Group Home
 - Nursing Services (e.g., Nurse Health Case Management & Delegation Services, Nurse Consultation, and Nurse Health Case Management)
 - Personal Supports
 - Shared Living
 - Supported Living
- Isolation Rates can be requested and may be billed up to 21 days unless otherwise authorized by the DDA while the person is in isolation (**Ends on June 30, 2022**)

Isolation Rate

- Rates are increased by up to 50% (**Ends on June 30, 2022**)
- Increased rate for the Community Living-Group Home service includes add-ons

Isolation Rates Documentation and Billing

- DDA will share detailed billing and documentation guidance
- Providers must maintain and submit documentation of direct service delivery supports, and the positive determination result to support the increase rate upon request by the DDA
