Service Definition:

- A. Transportation services are designed specifically to improve a participant's and the family caregiver's ability to access community activities within their own community in response to needs identified through the participant's Person-Centered Plan.
- B. Transportation services can include, but are not limited to:
 1. Orientation services in using other senses or supports for safe movement from one place to another;
 2. Accessing Mobility services such as transportation coordination and accessing resources;
 3. Travel training such as supporting the participant and his or her family in learning how to access and utilize informal, generic, and public transportation for independence and community integration;
 4. Transportation services provided by different modalities, including: public and community transportation, taxi services, transportation specific prepaid transportation cards, mileage reimbursement, volunteer transportation, and non-traditional transportation providers; and
 5. Purchase of prepaid transportation vouchers and cards such as the Charm Card and Taxi Cards.

SERVICE REQUIREMENTS:

- A. Services are available to the participants living in their own home or in the participant's family home.
- B. For participants self-directing their services, transportation budget is based on their preferences and funds availability from their authorized Person Centered Plan and budget.
- C. The Program will not make payment to spouses or legally responsible individuals for furnishing transportation services.
- D. A relative (who is not a spouse) of an participant participating in Self-Directed Services may be paid to provide this service in accordance with the applicable requirements set forth in Section C-2.
- E. Payment rates for services must be customary and reasonable as established or authorized by the DDA.

- F. Transportation service shall be provided by the most cost-efficient mode available that meets the needs of the participant and shall be wheelchair accessible when needed.
- G. Transportation services will not be covered if other transportation service is available under the individual’s private insurance, the Medicaid State Plan, educational services, the Rehabilitation Act, other waiver services, or through other resources.
- H. Transportation services will not be covered when transportation is part of another waiver service including but not limited to Day Habilitation, Community Development Services, Employment Services, Personal Supports, or Community Living – Group Home, Community Living – Enhanced Supports, and Supported Living services.
- I. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including but not limited to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services (“DORS”), State Department of Education, and Department of Human Services, must be explored and exhausted. These efforts must be documented in the participant’s file.
- J. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

For people using traditional, non-self-directed DDA funded services, transportation is limited to \$5000 per year per participant.
