C-1/C-3: Service Specification

Service Type: Other Service Service (Name): Alternative Service Title: ASSISTIVE TECHNOLOGY AND SERVICES

Service Spe	cification
HCBS Taxonomy	
Category 1:	Sub-Category 1:
14: Equipment, Technology, and Modifications	14031 equipment and technology
Service Definition (Scope):	

A. The purpose of assistive technology is to maintain or improve a participant's functional abilities, enhance interactions, support meaningful relationships, and promote <u>his/hertheir</u> ability to live independently, and meaningfully participate in their community.

B. Assistive technology and services includes:

1. Assistive technology needs assessment

2. Acquisition of assistive technology

3. Installation and instruction on use of assistive technology; and

4. Maintenance of assistive technology.

B.C. Assistive Technology means an item, computer application, piece of equipment, or product system. Assistive Technology may be acquired commercially, modified, or customized. Assistive technology devices <u>only</u> include:

- 1. Speech and communication devices also known as augmentative and alternative communication devices (AAC)₂ such as speech generating devices, text-to-speech devices and voice amplification devices;
- 2. Blind and low vision devices, such as video magnifiers, devices with optical character recognizer (OCR) and Braille note takers;
- 3. Deaf and hard of hearing devices, such as alerting devices, alarms, and assistive listening devices;
- 4. Devices for computers and telephone use such as alternative mice and keyboards or hands-free phones;
- 5. Environmental control devices, such as voice activated lights, lights, fans, and door openers;
- 6. Aides for daily living, such as weighted utensils, adapted writing implements, dressing aids;
- 7. Cognitive support devices and items, such as task analysis applications or reminder systems;
- 8. Remote support devices, such as assistive technology health monitoring such as blood pressure bands and oximeter and personal emergency response systems; and
- 9. Adapted toys and specialized equipment such as specialized car seats and adapted bikes.

State:

C.D. Assistive technology service means a service that directly assists a participant in the selection, acquisition, use, or maintenance of an assistive technology device. Assistive technology services <u>only</u> include:

- 1. Assistive Technology needs assessment;
- 2. Programs, materials and assistance in the development of adaptive materials;
- 3. Training or technical assistance for the participant and their support network including family members;
- 4. Repair and maintenance of devices and equipment;
- 5. Programming and configuration of devices and equipment;
- 6. Coordination and use of assistive technology devices and equipment with other necessary therapies, interventions, or services in the Person-Centered Plan; and
- 7. Services consisting of purchasing or leasing devices.
- <u>D.E.</u> Specifically excluded under this service are:
 - Wheelchairs, architectural modifications, adaptive driving, vehicle modifications, and devices
 requiring a prescription by physicians or <u>medical-other licensed health care</u> providers as these items
 are covered <u>either</u> through: (i) the Medicaid State Plan as Durable Medical Equipment (DME),-);
 (ii) other Waiver program a stand alone waiver services (i.e.e.g., environmental modification and
 vehicle modifications),-); or through(iii) the Division of Rehabilitation Services; DORS; or (iv) any
 other State funding program;
 - 2. Services, equipment, items or devices that are experimental or not authorized by the applicable State or Federal authority; and
 - 3. Smartphones and associated monthly service line and data cost.

SERVICE REQUIREMENTS:

- A. <u>If the Assistive Technology, recommended by the teamrequested for the participant, that costs up to, but</u> does not equal or exceed \$1,000 per item, then an assistive technology needs assessment is not required, but may be requested by the participant, prior to the acquisition of the Assistive Technology-does not require a formal assessment.
- B. <u>If the Assistive technology Technology, requested for the participant, has a cost that equals or exceedsdevices of \$1,000, then an assistive technology needs assessment is required prior to acquisition of the Assistive Technology.or more must be recommended by an independent evaluation of the participant's assistive technology needs.</u>

C. The Assistive technology assessment must contain the following components:evaluation must include the development of a list of all devices, supplies, software, equipment, product systems and/or waiver services (including a combination of any of the elements listed) that would be most effective to meet the need(s) of the participant. The least expensive option from the list must be selected for inclusion on the Person-Centered Plan unless an explanation of why the chosen option is the most cost effective.

- 1. A description of the participant's needs and goals;
- 2. A description of the participant's functional abilities without Assistive Technology;
- 3. A description of whether and how Assistive Technology will meet the participant's needs and goals; and
- 4. A list of all Assistive technology, and other Waiver program services (including a combination of any of the elements listed) that would be most effective to meet the technology needs of the participant.

D. If the item costs over \$1000, the most cost effective option that best meets the participant's needs shall be selected from the list The least expensive option from the list, developed in the Assistive

Alternative Service Title: BEHAVIORAL SUPPORT SERVICES

Service Specification					
HCBS Taxonomy					
Category 1:	Sub-Category 1:				
10: Other Mental Health and Behavioral Services	10040 behavior support				
Service Definition (Scope):					

A. Behavioral Support Services are an array of services to assist participants who without such supports are experiencing, or are likely to experience, difficulty at home or in the community as a result of behavioral, social, or emotional issues. These services seek to help understand a participant's challenging behavior and its function is to develop a Behavior Plan with the primary aim of enhancing the participant's independence and inclusion in their community.

B. Behavioral Support Services includes:

State:	
Effective Date	

- 1. Behavioral Assessment identifies a participant's challenging behaviors by collecting and reviewing relevant data, discussing the information with the participant's support team, and developing a Behavior Plan, that best addresses the function of the behavior, if needed;
- 2. Behavioral Consultation services that oversee, monitor, and modify the Behavior Plan; and
- 3. Brief Support Implementation Services time limited service to provide direct assistance and modeling to families, agency staff, and caregivers, and any other individuals supporting the participant so they can independently implement the Behavior Plan.

SERVICE REQUIREMENT:

- A. Behavioral Assessment:
 - 1. Is based on the principles of person-centered thinking, a comprehensive Functional Behavioral Assessment (FBA), and supporting data;
 - 2. Is performed by a qualified clinician;
 - 3. Requires development of specific hypotheses for the challenging behavior, a description of the challenging behaviors in behavioral terms, to include topography, frequency, duration, intensity/severity, and variability/cyclicality of the behaviors;
 - 4. Must be based on a collection of current specific behavioral data; and
 - 5. Includes the following:
 - a. An onsite observation of the interactions between the participant and his/hertheir caregiver(s) in multiple settings and observation of the implementation of existing programs;
 - b. An environmental assessment of all primary environments;
 - c. A medical assessment including a list of all medications including those specifically prescribed to modify challenging behaviors, the rationale for prescribing each medication, and the potential side effects of each medication;
 - d. A participant's history based upon the records and interviews with the participant and with the people important to/for the person (e.g. parents, caregivers, vocational staff, etc.);
 - e. Record reviews and interviews recording the history of the challenging behaviors and attempts to modify it;
 - f. Recommendations, after discussion of the results within the participant's interdisciplinary team, for behavioral support strategies, including those required to be developed in a Behavior Plan; and
 - g. Development of the Behavior Plan, if applicable.
- B. Behavioral Consultation services <u>only</u> include:
 - 1. Recommendations for subsequent professional evaluation services (e.g., Psychiatric, Neurological, Psychopharmacological, etc.), not identified in the Behavioral Assessment, that are deemed necessary and pertinent to the behavioral challenges;
 - 2. Consultation, subsequent to the development of the Behavioral Plan which may include speaking with the participant's Psychiatrists and other medical/therapeutic practitioners;
 - 3. Developing, writing, presenting, and monitoring the strategies for working with the participant and his or hertheir caregivers;
 - 4. Providing ongoing education on recommendations, strategies, and next steps to the participant's support network (i.e. caregiver(s), family members, agency staff, etc.) regarding the structure of the current environment, activities, and ways to communicate with and support the participant;
 - 5. Developing, presenting, and providing ongoing education on recommendations, strategies, and next steps to ensure that the participant is able to continue to participate in all pertinent environments (i.e. home, day program, job, and community) to optimize community inclusion in the least restrictivemost integrated environment;
 - 6. Ongoing assessment of progress in all pertinent environments against identified goals;
 - 7. Preparing written progress notes on the participant's goals identified in the Behavior Plan at a minimum include the following information:
 - a. Assessment of behavioral supports in the environment;

State:	
Effective Date	

- b. Progress notes detailing the specific Behavior Plan interventions and outcomes for the participant;
- c. Data, trend analysis and graphs to detail progress on target behaviors identified in a Behavioral Plan; and
- d. Recommendations;
- 8. Development and updates to the Behavioral Plan as required by regulations; and
- 9. Monitoring and ongoing assessment of the implementation of the Behavioral Plan based on the following:
 - a. At least monthly for the first six months; and
 - b. At least quarterly after the first six months or as dictated by progress against identified goals.
- C. Brief Support Implementation Services includes:
 - 1. On-site execution and modeling of identified behavioral support strategies;
 - 2. Timely semi-structured written feedback to the clinicians on the provision and effectiveness of the Behavior Plan and strategies;
 - 3. Participation in onsite meetings or instructional sessions with the participant's support network regarding the recommendations, strategies, and next steps identified in the Behavior Plan;
 - 4. Brief Support Implementation Services cannot be duplicative of other services being provided (e.g. 1:1 supports); and
 - 5. <u>The Staff must provide</u> Brief Support Implementation Services <u>staff is required to be on_site and in</u> <u>person</u> with the <u>individuals supporting the participant caregiver</u> in order to model the implementation of identified strategies to be utilized in the Behavior Plan.
- D. The DDA policies, procedure and guidance must be followed when developing a behavior plan.
- E. If the requested Behavioral Support Services, or Behavior Plan, restricts the participant's rights, as set forth in Title 7 of the Health-General Article of the Maryland Annotated Code or COMAR Title 10, Subtitle 22, then the need for the restriction must be set forth in the participant's behavior plan in accordance with applicable regulations and policies governing restrictions of participant rights, behavior plans, and positive behavior supports.
- D.F. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE), Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. - G. <u>Until the service transitions to the LTSSMaryland system</u>From January 1, 2018 through June 30, 2021, Employment Discovery and Customization daily services units are not available:
 - 1. On the same day a participant is receiving Career Exploration, Community Development Services, Day Habilitation, Medical Day Care, or Supported Employment services under the traditional service delivery model; and
 - 2. At the same time as the direct provision of Behavioral Support Services, Nurse Consultation, Nurse Health Case Management, <u>Nursing Support Services</u>, Nurse Case Management and Delegation Service, Personal Supports, Respite Care Services, or Transportation services.
- H. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE), Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. If these services are deemed by the participant's personcentered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver programall other available and appropriate funding sources, including those offered by Maryland's Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.
- I. To the extent any listed services are covered under the Medicaid State Plan, the services under the waiver will be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.
- J. Documentation must be maintained in the file of each individual receiving this service that the service is not available under a program funded under section 110 of the Rehabilitation Act of 1973 or the IDEA (20 U.S.C. 1401 et seq.).
- J.K.A legally responsible person, relative, or legal guardian of the participant cannot be paid by the Waiver program, either directly or indirectly, to provide this Waiver program service.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

1. Employment Discovery and Customization activities must be completed within a six (6) month period unless otherwise authorized by the DDA.

- C. Job Development is support for a participant to obtain an individual job in a competitive integrated employment setting in the general workforce, including:
 - 1. Customized employment a flexible process designed to personalize the employment relationship between a job candidate and an employer in a way that meets the needs of both. It is based on an individualized match between the strengths, conditions, and interests of a job candidate and the identified business needs of an employer; and
 - 2. Self-employment including exploration of how a participant's interests, skills and abilities might be suited for the development of business ownership.
- D. Ongoing Job Supports are supports in learning and completing job tasks either when beginning a new job, after a promotion, or after a significant change in duties or circumstances and individualized supports a participant may need to successfully maintain their job. Ongoing Job Supports include:
 - 1. Job coaching (e.g. job tasks analysis and adaptations, self-management strategies, natural and workplace supports facilitation, and fading assistance), needed to complete job tasks like setting up workstations;
 - 2. The facilitation of natural supports in the workplace;
 - 3. Systematic instruction and other learning strategies based on the participant's learning style and needs;
 - 4. Travel training to independently get to the job; and
 - 5. Personal care assistance, behavioral supports, transportation, and delegated nursing tasks to support the employment activity.
- E. Follow Along Supports:
 - 1. Occurs after the participant has transitioned into their job.
 - 2. Ensure the participant has the assistance necessary to maintain their jobs; and
 - 3. Include at least two face to face contacts with the participant in the course of the month.
- F. Self-Employment Development Supports include assistance in the development of a business and marketing plan, including potential sources of business financing and other assistance in developing and launching a business. The completion of a business and marketing plan does not guarantee future funding to support a business outlined in the plans.
- <u>G.</u> Co-Worker Employment Supports are time-limited supports provided by the employer to assist the participant, upon employment, with extended orientation and training beyond what is typically provided for an employee.

H. Employment Services does not include:

- 1. Volunteering, apprenticeships, or internships unless it is part of the discovery process and time limited; and
- 2. Payment for supervision, training, supports and adaptations typically available to other workers without disabilities filling similar positions.
- I. This Waiver program service includes provision of:
 - 1. Direct support services, for provision of services as provided in Sections A-G above;
 - 2. The following services provided in combination with, and incidental to, the provision of this Waiver program service:
 - a. Transportation to, from, and within this Waiver program service;
 - b. Delegated nursing tasks or other nursing support services covered by this Waiver program, based on the participant's assessed need; and
 - a.c. Personal care assistance, based on the participant's assessed need.

SERVICE REQUIREMENTS:

A. The participant must be 18 years of age or older and no longer <u>enrolled</u> in <u>primary or secondary</u> high school.

State:

B. As per Attachment #1: Transition Plan, beginning December 2019, employment related services will begin to transition from supported employment and employment discovery and customization to applicable employment services (i.e. discovery, job development, ongoing job supports, and follow along).

C. Personal care assistance, behavioral supports, and delegated nursing tasks may not comprise the entirety of the service.

D.C. Discovery includes three distinct milestones. Best practices demonstrate that quality person-centered discovery milestones can typically be completed within 90 days. However, the completion of each milestone is flexible and will be considered in conjunction with the participant's unique circumstances.

E.D. Each discovery milestone must be completed as per DDA regulations and policy with evidence of completion of the required activities before being paid.

- F.E. Discovery activities shall be reimbursed based on the following milestones:
 - 1. Milestone #1 includes home visit, survey of the community near the individual's home, record reviews for pertinent job experience, education, and assessments.
 - 2. Milestone #2 includes observation of the job seeker in a minimum of three (3) community-based situations in order to identify skills, interest, and learning style.
 - 3. Milestone #3 includes discovery profile, picture and/or written resume, and the creation of an Employment Plan, outlining next recommended steps, including a Job Development plan if applicable.
- G.<u>F.</u> Job Development is reimbursed based on an hourly basis.
- H.G. Ongoing Job Supports is reimbursed based on an hourly basis and includes a "fading plan", when appropriate, that notes the anticipated number of support hours needed.
- LH.Follow Along Supports are reimbursed as one monthly payment.
- J.I. Self-Employment Development Supports shall be reimbursed based on one milestone for the completion of a business and marketing plan.
- K.J.Employment Services (i.e.specifically discovery, job development, and self-employment development supports) are must be provided by staff who has the appropriate proof of competency required as outlined in the DDA Meaningful Day Training Policy a DDA approved certification in employment.
- L.K. Participants that are promoted with new job tasks or changes positions or circumstances, can receive Ongoing Job Supports.
- M.L. Co-Worker Employment Supports are not intended to replace the support provider's work, rather, it is an additional mentoring/support role for which coworkers could receive additional compensation above what they receive in the course of their typical job responsibilities. The payment of this compensation is at the discretion of the employer. Co-worker employment supports may be provided by a co-worker or other job site personnel provided that the services that are furnished are not part of the normal duties of the co-worker, supervisor or other personnel.
- M. If enrolled in the self-directed services delivery model, the participant may exercise employer authority for Ongoing Job Supports and Follow Along Supports only. The participant may not exercise employer

authority for the following types of Employment Services: Discovery, Job Development, Self-Employment Development Supports, or Co-Worker Employment Supports.

- N. If transportation is provided as part of this Waiver program service, then:
- O. Except during Follow Along Supports, the participant cannot receive Transportation services separately at the same time as provision of this Waiver program service except during Follow Along Supports;
- P. The Provider or participant self-directing their services must:
 - 1. Provide, or arrange for provision of, transportation to meet the needs of the participant identified in the participant's person-centered plan; and
 - 2. Use the most cost-effective mode of transportation, with priority given to the use of public transportation; and
- Q. Transportation services may not compromise the entirety of this Waiver program service.
- R. If direct support staff perform delegated nursing tasks as part of this Waiver program service, then:
- S. The participant must receive Nursing Support Services/Nurse Case Management and Delegation Services under this Waiver program service; and
- T. The delegated nursing tasks:
 - 1. Must be provided by direct support staff who are currently certified as a Medication Technician by the Maryland Board of Nursing; and
 - 2. May not compromise the entirety of this Waiver program service.
- U. If personal care assistance services are provided as part of this Waiver program service, then the personal care assistance may not comprise the entirety of the service. For purposes of this Waiver program service, personal care assistance means the provision of supports to assist a participant in performing activities of daily living and instrumental activities of daily living.
- N.V. A participant's Person-Centered Plan may include a mix of hourly employment and day services units such as Day Habilitation, Community Development Services, Co-Worker Supports, and Career Exploration provided at different times.
- O. Employment Services does not include:
- P. Volunteering, apprenticeships, or internships unless it is part of the discovery process and time limited; and
- Q. Payment for supervision, training, supports and adaptations typically available to other workers without disabilities filling similar positions.
- R.W. Medicaid funds may not be used to defray the expenses associated with starting up or operating a business.
- S. Transportation to and from and within the activities will be provided or arranged by the provider and funded through the rate system except for follow along supports. The provider shall use the mode of transportation which achieves the least costly, and most appropriate, means of transportation for the participant with priority given to the use of public transportation when appropriate.
- T.X. Employment Services are not available at the same time as the direct provision of Career Exploration, Community Development Services, Day Habilitation, Medical Day Care, Nurse Consultation, Personal Supports, Respite Care Services, or Transportation (except during follow along supports) services.
- U.Y. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE), Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. If these services are deemed by the participant's person-

centered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver program-all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file. Division of Rehabilitation Services (DORS) service must be accessed first if the service the participant needs is provided and available by DORS and funding is authorized.

- V.Z. Documentation must be maintained in the file of each participant receiving this service that the service is not available under a program funded under section 110 of the Rehabilitation Act of 1973 or the IDEA (20 U.S.C. 1401 et seq.).
- W.<u>AA.</u> A relative (who is not a spouse, legal guardian, or legally responsible person) of a participant in Self-Directed Services may be paid to provide this service in accordance with the applicable requirements set forth in Appendix C-2. A legally responsible person or legal guardian of the participant cannot be paid by the Waiver program, either directly or indirectly, to provide this Waiver program service.
- BB. Nursing Support Services/Nurse Health Case Management and Delegation Services, as applicable, can be provided during supports so long as it is not the primary or only service provided. The scope of the Nursing Support Services/Nurse Health Case Management and Delegation Services are defined under the stand alone service in Appendix C.

Under the self-directed services delivery model, participants may exercise employment authority for Ongoing Job Supports only.

If these services are deemed by the participant's personcentered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver programall other available and appropriate funding sources, including but not limited to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.
- J. Nurse Consultation services are not available to participants receiving supports in other Nursing services, including Nurse Health Case Management and Nurse Case Management and Delegation Services.
- K. Nurse Consultation services are not available at the same time as the direct provision of Career Exploration, Day Habilitation, Employment Discovery and Customization, Employment Services, Medical Day Care, Personal Supports, Respite Care Services, Supported Employment, and Transportation services.
- L. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services as allowed and not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.
- M. Children have access to any medically necessary preventive, diagnostic, and treatment services under Medicaid's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services to help meet children's health and developmental needs. This includes age appropriate medical, dental, vision, and hearing screening services and diagnostic and treatment services to correct or ameliorate identified conditions. Supports provided by this waiver service is to improve and maintain the ability of the child to remain in and engage in community activities.

- C. Delegation of Nursing Tasks services includes:
 - 1. Assessment of (a) the needs and abilities of the participant; (b) direct care staff performance of delegated nursing tasks; and (c) the environment of service or care delivery;
 - 2. Delegation of the performance of nursing tasks (*i.e.*, acts of a licensed nurse that include medication administration and treatment administration) to unlicensed direct care staff that may be Certified Medication Technicians ("CMT"), Certified Nursing Assistant ("CNA"), or other Unlicensed Assistive Personnel ("UAP") in accordance with applicable Maryland Board of Nursing regulations;
 - 3. Training, supervision, and remediation of unlicensed direct care staff who provide health services under the delegation of the RN. (e.g., administration of medication, treatments, and Activities of Daily Living (ADL) care, health monitoring) as required by applicable Maryland Board of Nursing regulations; and,
 - 4. Provision of On-Call service, to paid direct support staff that are performing delegated nursing tasks, while delegation is occurring, for up to 24 hours per day, 365 days per year as required by applicable Maryland Board of Nursing regulations.
- D. In provision of Nurse Health Case Management and Delegation Services, the RN CM/DN will collaborate with the DDA-licensed or DDA-certified community-based provider or Self-Directed Services participant in the development of policies and procedures required for delegation of any nursing tasks in accordance with COMAR 10.27.11 and the administration's Medication Technician Training Program (MTTP).

SERVICE REQUIREMENTS:

- A. A participant may qualify for this service if <u>he or she isthey are</u> either: (1) receiving services via the Traditional Services delivery model at a DDA-licensed community provider site, including day or employment type services; (2) receiving Personal Support services; or (3) enrolled in the Self-Directed Services Program.
- B. A participant cannot qualify for or receive this service if the participant is in a placement where nursing services are provided as part of the services, including a hospital, a nursing or rehabilitation facility or when Rare and Expensive Medicine (REM) is providing staff for the provision of nursing and health services.
- C. In order to access services, all of the following criteria must be met:
 - 1. Participant's health conditions must be determined by the RN CM/DN to meet applicable delegation criteria (i.e. be chronic, stable, routine, predictable and uncomplicated) and nursing tasks are assessed to be eligible for delegation as per the Maryland Board of Nursing regulations at COMAR 10.27.11.
 - Participant must require delegation as assessed by the RN as being unable to perform their his or her own care. This includes the use of the Medication Administration Screening Tool to determine the need for delegation of medication.
 - 3. The RN CM/DN has determined that all tasks and skills required to be performed or assisted with are delegable and the interval of the RN CM/DN's assessment, training, and supervision allow for the safe delivery of delegated nursing services in accordance with Maryland Board of Nursing regulations, including but not limited to COMAR 10.27.11.03, 10.27.11.04, 10.27.11.05.
- D. Under this service: RN CM/DN must assess the participant and <u>his or hertheir</u>-staff, the environment, and care plan at least once every 45 days, or more often as indicated by the participant's health condition, in accordance with the Maryland Board of Nursing regulations, including but not limited to COMAR 10.27.11. All resulting revisions, recommendations, remediation and training completed must be documented by the RN CM/DN.

E. The RN CM/DN may delegate performance of nursing tasks to the participant's appropriately trained and/ or certified paid caregivers which may include spouse, parent, legal guardian, siblings, adult children, and

State:

licensed provider agency staff. When the delegation is for medication administration, the paid caregiver must be a Certified Medication Technician in accordance with Maryland Board of Nursing requirements.

- F. A relative, legal guardian, or legally responsible person, as defined in Appendix C-2, may not be paid to provide Nurse Case Management and Delegation Services unless approved by the DDA.
- G. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE), Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. If these services are deemed by the participant's personcentered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver programall other available and appropriate funding sources, including but not limited to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.
- H. Nurse Case Management and Delegations Services are not available to participants receiving Nurse Consultation.
- I. Nurse Case Management and Delegation services are not available at the same time as the direct provision of Employment Discovery and Customization, Medical Day Care, or Transportation services.
- J. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services as allowed and not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

K. Children have access to any medically necessary preventive, diagnostic, and treatment services under Medicaid's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services to help meet children's health and developmental needs. This includes age appropriate medical, dental, vision, and hearing screening services and diagnostic and treatment services to correct or ameliorate identified conditions. Supports provided by this waiver service is to improve and maintain the ability of the child to remain in and engage in community activities.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

The frequency of assessment is minimally every 45 days but may be more frequent based on the MBON 10.27.11 regulation and the prudent nursing judgment of the delegating RN in meeting conditions for delegation. This is a person centered assessment and evaluation by the RN that determines duration and frequency of each assessment.

Service (Name): **RESPITE CARE SERVICES**

Service Specification					
HCBS Taxonomy					
Category 1:	Sub-Category 1:				
9: Caregiver Support	09011 respite, out-of-home				
Category 2:	Sub-Category 2:				
9: Caregiver Support	09012 respite, in-home				
Service Definition (Scope):					

- A. Respite is short-term care intended to provide both the family or the primary caregiver and the participant with a break from their daily routines. Respite relieves families or the primary caregivers from their daily caregiving responsibilities.
- B. Respite can be provided in:
 - 1. The participant's own home,
 - 2. The home of a respite care provider,
 - 3. A licensed residential site,
 - 4. State certified overnight or youth camps, and
 - 5. Other settings and camps as approved by DDA

SERVICE REQUIREMENTS:

- A. Someone who lives with the participant may be the respite provider, as long as she or he is not the person who normally provides care for the participant and is not contracted or paid to provide any other DDA funded service to the participant.
- B. A relative of a participant (who is not a spouse or legally responsible person) may be paid to provide this service in accordance with the applicable requirements set forth in Appendix C-2. <u>A legally responsible person or legal guardian of the participant cannot be paid by the Waiver program, either directly or indirectly, to provide this Waiver program service.</u>

State:	
Effective Date	

A neighbor or friend may provide services under the same requirements as defined in Appendix C-2-e. B.C. Receipt of respite services does not preclude a participant from receiving other services on the same C.D. day. For example, the participant may receive meaningful day services (e.g., Employment Services or Day Habilitation) on the same day they receive respite services so long as these services are provided at different times. Under self-directing services, the following applies: D.E. 1. Participant or his/hertheir designated representative is considered the employer of record; 2. Participant or his/her/their designated representative is responsible for supervising, training and determining the frequency of services and supervision of their direct service workers; 3. Respite Care Services include the cost associated with staff training such as First Aid and CPR; and 4. Respite Care Services staff, with the exception of legal guardians and relatives, must be compensated overtime pay as per the Fair Labor Standards Act from the self-directed budget. Payment rates for services must be customary and reasonable, as established by the DDA. E.F. Services are reimbursed based on: F.G. 1. An hourly rate for services provided in the participant's home or non-licensed respite provider's home: 2. Daily rate for services provided in a licensed residential site; or 3. Reasonable and customary camp fee. G.H. Respite cannot replace day care while the participant's parent or guardian is at work. $H_{\rm I}$. If respite is provided in a residential site, the site must be licensed. Services provided in the participant's home or the home of a relative, neighbor, or friend does not require licensure. +J. Respite does not include funding for any fees associated with the respite care (for example, membership fees at a recreational facility, community activities, or insurance fees). J-K. Respite Care Services are not available at the same time as the direct provision of Career Exploration, Community Development Services, Day Habilitation, Employment Discovery and Customization, Medical Day Care, Personal Supports, Supported Employment, or Transportation services. Payment may not be made for services furnished at the same time as other services that include care and K.L. supervision. This includes Medicaid State Plan Personal Care Services as described in COMAR 10.09.20, the Attendant Care Program (ACP), and the In-Home Aide Services Program (IHAS). L.M. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE), Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. If these services are deemed by the participant's personcentered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver programall other available and appropriate funding sources, including but not limited to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file. M.N. Participants authorized above the amendment service limit prior to July 1, 2019 can continue to receive their previously authorized service level until their annual person-centered planning meeting. This will support additional time for person-centered service exploration, planning, and service implementation.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

1. Respite care services hourly and daily total hours may not exceed 720 hours within each <u>Person-Centered Plan plan</u> year unless otherwise authorized by the DDA.

F. If transportation is provided as part of this Waiver program service, then:
1. The participant cannot receive Transportation services separately at the same time as provision of
this Waiver program service;
2. The provider must:
a. Provide, or arrange for provision of, transportation to meet the needs of the participant
identified in the participant's person-centered plan; and
b. Use the most cost-effective mode of transportation, with priority given to the use of public
transportation; and
3. Transportation services may not compromise the entirety of this Waiver program service.
G. If direct support staff perform delegated nursing tasks as part of this Waiver program service, then:
1. The participant must receive Nursing Support Services/Nurse Case Management and Delegation
services under this Waiver program service;
2. The delegated nursing tasks:
a. Must be provided by direct support staff who are currently certified as a Medication Technician
by the Maryland Board of Nursing; and
b. May not compromise the entirety of this Waiver program service.
H. If personal care assistance services are provided as part of this Waiver program service, then the personal
care assistance may not comprise the entirety of the service. For purposes of this Waiver program service,
personal care assistance means the provision of supports to assist a participant in performing activities of
daily living and instrumental activities of daily living
F.I. Until the service transitions to the LTSSMaryland systemFrom January 1, 2018 through June 30, 2019,
under the traditional service delivery model, a participant's Person-Centered Plan may include a mix of
employment and day related daily waiver services units such as Day Habilitation, Community Development
Services, and Employment Discovery and Customization Services provided on different days.
G.J.Beginning December 2019, a participant's Person-Centered Plan may include a mix of employment and day type services such as Day Habilitation, Community Development Services, and Employment Discovery and
Customization Services provided at different times under both service delivery models.
H. Transportation to and from and within this service is included within the Career Exploration. Transportation
will be provided or arranged by the licensed provider and funded through the rate system. The licensee shall
use the mode of transportation which achieves the least costly, and most appropriate, means of
transportation for the participant with priority given to the use of public transportation when appropriate.
I.K. Until the service transitions to the LTSSMaryland system From January 1, 2018 through June 30, 2021,

- A. Vehicle modifications are adaptations or alterations to a vehicle that is the participant's primary means of transportation. Vehicle modifications are designed to accommodate the needs of the participant and enable the participant to integrate more fully into the community and to ensure the health, welfare and safety and integration by removing barriers to transportation.
- B. Vehicle modifications may include:
 - 1. Assessment services to (a) help determine specific needs of the participant as a driver or passenger, (b) review modification options, and (c) develop a prescription for required modifications of a vehicle;
 - 2. Assistance with modifications to be purchased and installed in a vehicle owned by or a new vehicle purchased by the participant, or legally responsible parent of a minor or other caretaker as approved by DDA;
 - 3. Non-warranty vehicle modification repairs; and
 - 4. Training on use of the modification.
- C. Vehicle modifications do not include the purchase of new or used vehicles, general vehicle maintenance or repair, State inspections, insurance, gasoline, fines, tickets, or the purchase of warranties.

SERVICE REQUIREMENTS:

- A. A vehicle modification assessment and/or a driving assessment will be required when not conducted within the last year by the Division of Rehabilitation Services (DORS).
- B. A prescription for vehicle modifications must be completed by a driver rehabilitation specialist or certified driver rehabilitation specialist. The prescription for vehicle modifications applies only to the year/make/model of the vehicle specified on the Vehicle Equipment and Adaptation Prescription Agreement (VEAPA).
- C. The vehicle owner is responsible for:
 - 1. The maintenance and upkeep of the vehicle; and
 - 2. <u>Obtaining and maintaining Purchasing</u> insurance <u>that covers the on</u> vehicle modifications. The program will not correct or replace vehicle modifications provided under the program that have been damaged or destroyed in an accident.
- D. Vehicle modifications are only authorized to vehicles meeting safety standards once modified.
- E. The Program cannot provide assistance with modifications on vehicles not registered under the participant or legally responsible parent of a minor or other primary caretaker. This includes leased vehicles.
- F. Upon delivery to the participant (including installation), the Vehicle Modification must be in good operating condition and repair in accordance with applicable specifications.
- F.G. Vehicle modification funds cannot be used to purchase vehicles for participants, their families or legal guardians; however, this service can be used to fund the portion of a new or used vehicle that relates to the cost of accessibility adaptations. In order to fund these types of adaptations, a clear breakdown of purchase price versus adaptations is required.
- G.<u>H.</u> Vehicle modifications may not be provided in day or employment services provider owned vehicles.
- H.I. Prior to accessing DDA funding for this service, services covered under the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), Maryland State Department of Education (MSDE).
 Department of Human Services (DHS) or any other federal or State government funding program shall be examined, explored, and, if applicable, exhausted. If these services are deemed by the participant's personcentered planning team to be inappropriate to meet the specific needs of the participant, the exploration efforts and reasons that these services do not meet the participant's needs shall be documented in the participant's person-centered plan. The DDA has authority to determine if further efforts must be made, and documented, prior to authorization of funding for the service under the Waiver program all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. Appendix C-2: General Service Specifications

- **a.** Criminal History and/or Background Investigations. Specify the State's policies concerning the conduct of criminal history and/or background investigations of individuals who provide waiver services *(select one)*:
 - X Yes. Criminal history and/or background investigations are required. Specify: (a) the types of positions (e.g., personal assistants, attendants) for which such investigations must be conducted; (b) the scope of such investigations (e.g., state, national); and, (c) the process for ensuring that mandatory investigations have been conducted. State laws, regulations and policies referenced in this description are available to CMS upon request through the Medicaid or the operating agency (if applicable):

This section describes the minimum background check and investigation requirements for providers under applicable law. A provider may opt to perform additional checks and investigations as it sees fit.

Criminal Background Checks

The DDA is seeking to update its regulations regarding Criminal Background Checks, as provided in this Section a. The draft regulations will be subject to notice and comment and other applicable requirements as provided in Maryland's Administrative Procedure Act, codified in Title 10, Subtitle 1 of the State Government Article, prior to finalization. Therefore, the draft regulations, set forth below, may be amended to comply with those requirements.

In the meantime, the current regulations will remain in effect and continue to apply to services covered under this Waiver. The draft regulations, as amended, will apply to services covered under this Waiver once they are effective.

Current Regulations

The DDA's regulation requires specific providers have criminal background checks prior to services delivery. DDA's regulations also require that each DDA-licensed and DDA-certified community-based providers complete either: (1) a State criminal history records check via the Maryland Department of Public Safety's Criminal Justice Information System; or (2) a National criminal background check via a private agency, with whom the provider contracts. If the provider chooses the second option, the criminal background check must pull court or other records "in each state in which [the provider] knows or has reason to know the eligible employee [or contractor] worked or resided during the past 7 years." The same requirements are required for participants self-directing services as indicated within each service qualification.

The DDA-licensed and certified provider must complete this requirement for all of the provider's employees and contractors hired to provide direct care. If this background check identifies a criminal history that "indicate[s] behavior potentially harmful" to individuals receiving services, then the provider is prohibited from employing or contracting with the individual. See Code of

State:	
Effective Date	

Maryland Regulations (COMAR) 10.22.02.11, Maryland Annotated Code Health-General Article § 19-1901 *et seq.*, and COMAR Title 12, Subtitle 15.

Background screening is required for volunteers who:

(1) Are recruited as part of an agency's formal volunteer program; and

(2) Spend time alone with participants.

Criminal background checks are not required for people who interact with or assist individuals as a friend or natural support, by providing assistance with shopping, transportation, recreation, home maintenance and beautification etc.

Draft Regulations

Subject to amendment as part of the process to promulgate regulations, the DDA will require that persons selected by individuals with a developmental disability to provide waiver services successfully pass a criminal background check, as detailed herein. A "person" includes an individual, receiver, trustee, guardian, personal representative, fiduciary, or representative of any kind and any partnership, firm, association, corporation, or other entity as set forth in MD. CODE ANN., HEALTH-GEN. § 1-101.

The following individuals must complete a criminal background check:

- 1. All employees and Board members of a community-based provider providing services under the Traditional Services delivery model;
- 2. All contractors and volunteers of a community-based provider providing services under the Traditional Services delivery model who will have direct contact with at least one individual with a developmental disability; and
- 3. All employees and staff of a Participant providing services under the Self-Directed Services delivery model.

Direct contact is defined as physically present with, or within an immediate distance (such as the same room) of, the individual with a developmental disability.

The following persons will be responsible for ensuring the criminal background check takes place upon hire of each individual who is required to complete a criminal background check:

- 1. Under the Traditional Services delivery model, the community-based provider; and
- 2. Under the Self-Directed Services delivery model, the Fiscal Management Services provider.

Each DDA-licensed and DDA-certified community-based provider (including the Fiscal Management Services provider) must provide a copy of the criminal background check of its Executive Director and its Board Members as part of its initial and renewal application to the Department for licensure or certification. Otherwise, the DDA-licensed or DDA-certified community-based provider and Fiscal Management Services provider are responsible for complying with these requirements for each individual hired.

The criminal background check to be conducted must:

- 1. Be performed by Criminal Justice Information Services in the Maryland Department of Public Safety and Correctional Services; or
- 2. Be performed by a private agency, meeting certain criteria regarding, their qualifications, the scope of the background check, and whether alerts will be required.

State:	
Effective Date	

Please note the DDA is in discussion regarding criteria for appropriate private agency (ies) requirement(s) for performing criminal background checks, which will be promulgated in the updated regulations.

An individual will have successfully passed his or hertheir criminal background check if he or shethey has been not been convicted, received probation before judgment, or entered a plea of nolo contendere to a felony, crime of moral turpitude (including fraud), theft, financial crimes against a vulnerable adult, or abuse or neglect of a child or vulnerable adult and such final judgment was not entered 10 years ago or less from the date of the individual's application.

If an alert later notifies the community-based provider or Fiscal Management Services provider that the individual has received subsequently a final judgment that does not meet the requirements to successfully pass a criminal background check, then: (1) he or shethey must be removed immediately from direct contact with an individual with a developmental disability; and (2) his or her<u>their</u> employment, contract, or Board membership must be terminated promptly.

If an individual knowingly submits false information for his or her<u>their</u> criminal background check, then he or shethey will be disqualified automatically from serving an individual with a developmental disability and will not be permitted to apply again for a period of five years from the date of the initial application containing the false information.

Participants enrolled in DDA's Self-Directed Services delivery model may request that DDA waive these criminal background check requirements. DDA may permit waiver of the criminal background check requirements *only if* the criminal background check indicates behavior that would not be potentially harmful to an individual with a developmental disability.

Child Protective Services Background Clearance

The State also maintains a Centralized Confidential Database that contains information about child abuse and neglect investigations conducted by the Maryland State Local Departments of Social Services. Staff engaging in one-to-one interactions with children under the age of 18 must have a Child Protective Services Background Clearance.

State Oversight of Compliance with These Requirements

The DDA, OLTSS, and OHCQ review providers' records for completion of criminal background checks, in accordance with these requirements, during surveys, site visits, and investigations. Annually the DDA will review Fiscal Management Services providers' records for required background checks of staff working for participants enrolled in the Self-Directed Services Delivery Model, described in Appendix E.

• No. Criminal history and/or background investigations are not required.

- **b.** Abuse Registry Screening. Specify whether the State requires the screening of individuals who provide waiver services through a State-maintained abuse registry *(select one)*:
 - Yes. The State maintains an abuse registry and requires the screening of individuals through this registry. Specify: (a) the entity (entities) responsible for maintaining the abuse registry; (b) the types of positions for which abuse registry screenings must be conducted; and, (c) the process for ensuring that mandatory screenings have been conducted. State laws, regulations and

State:

policies referenced in this description are available to CMS upon request through the Medicaid agency or the operating agency (if applicable):

X No. The State does not conduct abuse registry screening.

c. Services in Facilities Subject to §1616(e) of the Social Security Act. Select one:

X	No. Home and community-based services under this waiver are not provided in facilities subject to $\$1616(e)$ of the Act. Do not complete Items C-2-c.i – c.iii.
0	Yes. Home and community-based services are provided in facilities subject to $\$1616(e)$ of the Act. The standards that apply to each type of facility where waiver services are provided are available to CMS upon request through the Medicaid agency or the operating agency (if applicable). <i>Complete Items C-2-c.i – c.iii</i> .

i. Types of Facilities Subject to \$1616(e). Complete the following table for *each type* of facility subject to \$1616(e) of the Act:

Type of Facility	Waiver Service(s) Provided in Facility	Facility Capacity Limit

ii. Larger Facilities: In the case of residential facilities subject to \$1616(e) that serve four or more individuals unrelated to the proprietor, describe how a home and community character is maintained in these settings.

iii. Scope of Facility Standards. For this facility type, please specify whether the State's standards address the following (*check each that applies*):

Standard	Topic Addressed
Admission policies	
Physical environment	
Sanitation	
Safety	
Staff : resident ratios	
Staff training and qualifications	
Staff supervision	
Resident rights	

State:	
Effective Date	

Medication administration

Provision of or arrangement for necessary health services	

When facility standards do not address one or more of the topics listed, explain why the standard is not included or is not relevant to the facility type or population. Explain how the health and welfare of participants is assured in the standard area(s) not addressed:

d. Provision of Personal Care or Similar Services by Legally Responsible Individuals. A legally responsible individual is any person who has a duty under State law to care for another person and typically includes: (a) the parent (biological or adoptive) of a minor child or the guardian of a minor child who must provide care to the child or (b) a spouse of a waiver participant. Except at the option of the State and under extraordinary circumstances specified by the State, payment may not be made to a legally responsible individual for the provision of personal care or similar services that the legally responsible individual would ordinarily perform or be responsible to perform on behalf of a waiver participant. *Select one:*

0	No . The State does not make payment to legally responsible individuals for furnishing personal care or similar services.
Х	Yes. The State makes payment to legally responsible individuals for furnishing personal care or similar services when they are qualified to provide the services. Specify: (a) the legally responsible individuals who may be paid to furnish such services and the services they may provide; (b) State policies that specify the circumstances when payment may be authorized for the provision of <i>extraordinary care</i> by a legally responsible individual and how the State ensures that the provision of services by a legally responsible individual is in the best interest of the participant; and, (c) the controls that are employed to ensure that payments are made only for services rendered. <i>Also, specify in Appendix C-3 the personal care or similar services for which payment may be made to legally responsible individuals under the State policies specified here.</i>
	DEFINITIONS:
	Extraordinary Care
	Extraordinary care means care exceeding the range of activities that a legally responsible individual would ordinarily perform in the household on behalf of a person without a disability or chronic illness of the same age and which is necessary to assure the health and welfare of the participant and avoid institutionalization.
	Legally Responsible Person
	A legally responsible person is defined as a person who has a legal obligation under the provisions of Maryland law to care for another person. Under Maryland law, this includes a parent (either natural or adoptive), legal guardian, or person otherwise legally responsible for the care of a minor (<i>e.g.</i> , foster parent or relative appointed by court. <i>Spouse</i>

State:	
Effective Date	

For purposes of this waiver, a spouse is defined as an individual legally married under applicable law to the participant.

Relative

For purposes of this waiver, a relative is defined as natural or adoptive parent, or sibling, who is not also a legally responsible person.

Legal Guardian

For purposes of this waiver, a legal guardian is defined as an individual or entity who has obtained a valid court order stating that the individual is the legal guardian of the person of the participant pursuant to Maryland Annotated Code's Family Law or Estates & Trusts Articles.

(a) SERVICES THAT MAY BE PROVIDED BY LEGALLY RESPONSIBLE PERSONS

The State makes payment to a legally responsible individual, who is appropriately qualified, for providing extraordinary care for the following services: Community Development Services or Personal Supports.

A legally responsible person may not be paid to provide these Waiver program services if it does not constitute extraordinary care as defined above.

(b) <u>CIRCUMSTANCES WHEN PAYMENT MAY BE MADE</u>

Participant enrolled in the Self-Directed Services Delivery Model (as provided in Appendix E) or Traditional Service Delivery Model may use their legally responsible person to provide services in the following circumstances, as documented in the participant's Person-Centered Plan (PCP):

- 1. The proposed provider is the choice of the participant, which is supported by the team;
- 2. There is a lack of qualified providers to meet the participants needs;
- **3.** When a relative or spouse is not also serving as the participant's Support Broker or designated representative directing services on behalf of the participant;
- 4. The legally responsible person provides no more than 40-hours per week of the service that the DDA approves the legally responsible person to provide; and
- 5. The legally responsible person has the unique ability to meet the needs of the participant (e.g. has special skills or training, like nursing license).

As provided in subsection 3 above, when a legally responsible person, legal guardian, or relative is the Support Broker or designated representative who exercises decision making authority for the participant, then other legal guardians and relatives are not allowed to provide direct care services.

(c) SAFEGUARDS

To ensure the use of a legally responsible person to provide services is in the best interest of the participant, the following criteria must be met and documented in the participant's Person-Centered Plan (PCP) by the CCS:

State:	
Effective Date	

- 1. Choice of the legally responsible person as the provider truly reflects the participant's wishes and desires;
- 2. The provision of services by the legally responsible person is in the best interests of the participant and his or hertheir family;
- 3. The provision of services by the legally responsible person is appropriate and based on the participant's identified support needs;
- 4. The services provided by the legally responsible person will increase the participant's independence and community integration;
- 5. There are documented steps in the PCP that will be taken to expand the participant's circle of support so that <u>he or shethey is are</u> able to maintain and improve <u>his or hertheir</u> health, safety, independence, and level of community integration on an ongoing basis should the legally responsible person acting in the capacity of employee be no longer be available;
- 6. <u>A written agreement that identifies people, beyond family members, who will support the participant in making his or hertheir own decision, is completed A Supportive Decision Making (SDM) agreement is established that identifies the people (beyond the legally responsible person, relatives, spouse, and legal guardian) who will support the participant in making her or his own decisions; and</u>
- 7. The legally responsible person must sign a service agreement to provide assurances to DDA that he or shethey will implement the PCP and provide the services in accordance with applicable federal and State laws and regulations governing the program.

(d) STATE'S OVERSIGHT PROCEDURES

The DDA will conduct a randomly selected, statistically valid sample of services provided by legally responsible persons to ensure payment is made only for services rendered and the services rendered are in the best interest of the participant.

- Self-directed
- Agency-operated
- e. Other State Policies Concerning Payment for Waiver Services Furnished by Relatives/Legal Guardians. Specify State policies concerning making payment to relatives/legal guardians for the provision of waiver services over and above the policies addressed in Item C-2-d. *Select one*:

0	The State does not make payment to relatives/legal guardians for furnishing waiver services.
Х	The State makes payment to relatives/legal guardians under <i>specific circumstances</i> and only when the relative/guardian is qualified to furnish services. Specify the specific circumstances under which payment is made, the types of relatives/legal guardians to whom payment may be made, and the services for which payment may be made. Specify the controls that are employed to ensure that payments are made only for services rendered. <i>Also, specify in</i>

State:

f. Open Enrollment of Providers. Specify the processes that are employed to assure that all willing and qualified providers have the opportunity to enroll as waiver service providers as provided in 42 CFR §431.51:

The DDA is working with provider associations, current Community Pathways Waiver service providers, and family support service providers to share information about new opportunities to deliver services to waiver participants.

On October 3, 2017, the DDA posted on its website an invitation for interested applicants to make application to render supports and services under DDA Waivers.

Information posted includes:

1. The DDA Policy - Application and Approval Processes for Qualified Supports/Services Providers in DDA's Waivers. This policy a) Describes specific requirements for completion and submission of initial and renewal applications for prospective providers seeking DDA approval to render supports, services and/or goods under DDA's Waivers, b) Provides definition and eligibility requirements for qualified service professionals regarding each support or service rendered under each support waiver, and c) Delineates actions taken by the DDA following receipt of an applicant's information and provides timelines for review and approval or disapproval of an application. Once an applicant submits their application, the policy requires that upon receipt of an application, the applicable DDA rater review it within 30 days and an approval or disapproval letter is sent.

2. Eligibility Requirements for Qualified Supports and Services Providers - A document that describes each support and/or service and the specific eligibility criteria required to render the support/service which is an attachment for the policy.

3. Instructions for Completing the Provider Application - Interested applicants may download or request a hard copy from the DDA Regional Office the following:

a) DDA Application to Render Supports and Services in DDA's Waivers;

b) DDA Application to Provide Behavioral Supports and Services; and

c) Provider Agreement to Conditions of Participation - A document that lists regulatory protection and health requirements, and other policy requirements that prospective providers must agree and comply with to be certified by the DDA as a qualified service provider in the supports waivers;

4. Provider Checklist Form – A checklist form which applicants must use to ensure that they have included all required information in their applications; and

5. Frequently Anticipated Questions (FAQs) and Answers - A document which provides quick access to general applicant information.

State:	
Effective Date	

Interested community agencies and other providers can submit the DDA application and required attachments at any time. For services that require a DDA license, applicants that meet requirements are then referred to the Office of Health Care Quality to obtain the license.

Quality Improvement: Qualified Providers

As a distinct component of the State's quality improvement strategy, provide information in the following fields to detail the State's methods for discovery and remediation.

Appendix C-5: Home and Community-Based Settings

Explain how residential and non-residential settings in this waiver comply with federal HCB Settings requirements at 42 CFR 441.301(c)(4)-(5) and associated CMS guidance. Include:

- 1. Description of the settings and how they meet federal HCB Settings requirements, at the time of submission and in the future.
- 2. Description of the means by which the state Medicaid agency ascertains that all waiver settings meet federal HCB Setting requirements, at the time of this submission and ongoing.

The Community Supports Waiver services include various employment, meaningful day, and support services. New services including Housing Support Services, Nursing and Employment Services have been added to support community integration, engagement and independence. The State incorporated the federal home and community-based setting requirements into the Annotated Code of Maryland Regulations (COMAR) 10.09.36.03-1 Conditions for Participation — Home and Community-Based Settings which notes, "Effective January 1, 2018, to be enrolled as a provider of services authorized under §§1915(c) or 1915(i) of the Social Security Act, the provider shall comply with the provisions of §§D—F of this regulation and 42 CFR 441.301(c)(4)." and includes specific provider requirements. (Reference: http://www.dsd.state.md.us/comar/comarhtml/10/10.09.36.03-1.htm)

The Community Supports Waiver definitions have been written to comply with the HCB Settings requirements. Waiver services are provided in the individual's own home or the community which is available for the public to use and visit and therefore presumed to meet the HCB Settings requirement.

The following services are provided at licensed sites which must comply with the HCB settings requirement prior to enrollment as a waiver service provider:

Day Habilitation services are provided at provider operated sites and in the community.

State:	
Effective Date	

Appendix C: 200

Career Exploration -facility based services are provided at provider operated sites

Medical Day Care services are provided at provider operated sites and in the community.

Respite Care Services can be provided in the participant's home, a community setting, a Youth Camp certified by DHMH, or a site licensed by the Developmental Disabilities Administration. There are no residential services provided.

All new providers must comply with the HCB settings requirement prior to enrollment as a new waiver service provider and ongoing. As part of the application process to become a Medicaid provider under the Community Supports Waiver, the DDA will review and assess for compliance with specific staff, service, and license requirements. Prior to final approval and Medicaid provider enrollment, the DDA will conduct site visits for site based services to confirm compliance with the HCB settings requirements.

As per Annotated Code of Maryland Regulations (COMAR) 10.09.36.03-1 Conditions for Participation — Home and Community-Based Settings, any modification of the rights or conditions under §§D and E of this regulation shall be supported by a specific assessed need and justified in the person-centered services plan in accordance with 42 CFR 441.301(c)(2)(xiii).

Ongoing assessment is part of the annual person-centered service planning and provider performance reviews. Coordinators of Community Services assess participants' service setting for compliance with HCBS settings requirements. DDA staff assess provider performance and ongoing compliance.
