**ORDER OF SUSPENSION OF CERTIFICATE  
FOR DELINQUENT CHILD SUPPORT**

**BACKGROUND**

On or about October 15, 2018, the Maryland Board of Dental Examiners (the “Board”) received a written request from the Baltimore City Office of Child Support Enforcement (the “Administration”) to suspend the dental radiation technologist certificate held by Walter Bernard Street (the “Respondent”), Certificate No. 16279, for delinquent child support. This action was to be taken by authority of Md. Code Ann., Fam. Law § 10-119.3 (2012 Repl. Vol.), which provides, in pertinent part:

(e)(2) Except as provided in paragraph (3) of this subsection, upon notification by the Administration under this section, a licensing authority<sup>1</sup> shall:

- (i) suspend an individual’s license; or
- (ii) deny the license of an individual who is an applicant for a license from the licensing authority.

(h) *Right to contest identity.* – (1) Except as provided in paragraph (2) of this subsection, prior to the suspension or denial of a license under subsection (e) of this section, a licensing authority shall send written notice of the proposed action to the individual whose license is subject to suspension or denial, including notice of an individual’s right to

<sup>1</sup> The Maryland Board of Dental Examiners is a unit within the Maryland Department of Health and Mental Hygiene, Md. Code Ann., Health-Gen. §§ 2-101 & 2-106(a)(18), and is therefore a “licensing authority” within the meaning of Md. Code Ann., Fam. Law § 10-119.3(a)(3)(i) and (ii)(2).

contest the identity of the individual whose license or application is to be suspended or denied.

\* \* \*

(i) *Appeal; hearing.* –(1)(i) Except as provided in paragraph (2) of this subsection, an individual may appeal a decision of a licensing authority to suspend or deny the individual’s license in accordance with Title 10, Subtitle 2 of the State Government Article.

(ii) At a hearing under this paragraph, the issue shall be limited to whether the Administration has mistaken the identity of the individual whose license has been suspended or denied.

\* \* \*

(k) *Reinstatement of license—Duty of licensing authority.* – A licensing authority shall immediately reinstate any license suspended, or process an application for any license denied, under this section if:

(1) notified by the Administration that the license should be reinstated; and

(2) the individual otherwise qualifies for the license.

On October 17, 2018, the Board sent an unexecuted copy of this Order of Suspension to the Respondent. Accompanying the unexecuted Order of Suspension was a cover letter notifying the Respondent of his right to contest his identity, in writing, within thirty days of the date of the letter and notifying the Respondent that if he did not submit a signed, written appeal to the Board on or before November 16, 2018, the Board would execute this Order of Suspension as written.

**FINDINGS OF FACT**

1. The Board issued a radiation technologist certificate to the Respondent and his certificate is currently active and is scheduled to expire on March 1, 2019.

2. On or about October 15, 2018, the Board received a written request from the Administration, entitled “Request to Suspend or Deny License for Delinquent Child Support” (the “Request”), which requested that the Board suspend the radiation technologist certificate held by the

Respondent for delinquent child support under the authority of Md. Code Ann., Fam. Law §10-119.3. The Request stated that, as of October 1, 2018, the total arrearage amount of child support that the Respondent owed was \$1,098.61 in the Administration's case numbered 770011144.

3. As noted above, Md. Code Ann., Fam. Law §10-119.3(e)(2) & (h)(1) requires that the Board suspend the certificate of the Respondent upon notification by the Administration and after sending written notice to the Respondent of the proposed suspension of his certificate and of his right "to contest the identity of the individual whose license is to be suspended."

4. On October 17, 2018, the Board sent an unexecuted copy of this Order of Suspension to the Respondent's last known address registered with the Board (the same address as that on the Request). Included with the unexecuted Order of Suspension was a letter notifying Respondent of his right to contest his identity, in writing to the Board, within thirty days of the date of the letter; that is, to contest that he was not the Walter Bernard Street, Certificate No. 16279, named by the Administration as the individual whose certificate should be suspended for delinquent child support. In addition, the letter also gave Respondent written notice that if he did not submit to the Board a signed, written appeal on or before November 16, 2018, the Board would execute this Order of Suspension as written.<sup>2</sup>

5. The Respondent did not submit a written contest of identity to the Board by November 16, 2018; nor was the Board notified that the Respondent arranged to pay the arrears in full.

6. Having given the Respondent the statutorily required written notice of the Board's intent to suspend his certificate and of his right to contest identity pursuant to Md. Code Ann., Fam. Law §10-119.3(h)(1), and having not received a written response or appeal from the Respondent, the

<sup>2</sup> The letter also notified Respondent that he could prevent the suspension of his license by contacting the Administration and arranging to pay the arrears in full within 15 days of the date of the letter.

Board is statutorily required to suspend the Respondent's certificate, pursuant to Md. Code Ann., Fam. Law § 10-119.3(e)(2).

### CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes that, pursuant to Md. Code Ann., Fam. Law §10-119.3(e)(2)(i), it is statutorily required to suspend the Respondent's radiation technologist certificate until the Board receives notification from the Administration that the Respondent's certificate should be reinstated pursuant to Md. Code Ann., Fam. Law §10-119.3(k)(1)-(2), provided that the Respondent is otherwise qualified for certification.

### ORDER

**ORDERED** that the certificate to practice as a dental radiation technologist held by Respondent, Walter Bernard Street, Certificate No. 16279, is **SUSPENDED**; and it is further,

**ORDERED** that this is a Final Order of the Maryland State Board of Dental Examiners and, as such, is a **PUBLIC** document pursuant to Md. Code Ann., Gen. Prov., §4-333.
