Open Session Minutes  
May 16, 2019

The Board will discuss criminal background checks legislation. The Board decided not to introduce legislation at this time to require applicants and licensees to have criminal background checks for initial licensure and renewals. Licensed Dietitian-Nutritionists have less "hands on practice" than other health occupations. In addition, there would be an additional expense to applicants and licensees. The Board will continue to monitor this issue and may consider legislation in the future.
