Board Orientation with New Chiropractic Licensees

The Board presented an open discussion/interview session for the new chiropractic licensees who appeared today to take their jurisprudence examination. Discussion included various regulatory, disciplinary, and ethical issues relative to practicing in Maryland.

Review of Administrative Staff Issues, Ms. Adrienne Congo, Deputy Director

- Update Regarding Board Member Vacancy: There has been no selection made as of this date; the Board will probably be notified by June.
- Update Regarding Board Investigator (Grade 14) Position: The Board submitted a freeze waiver. Mr. Stephen West, DHMH Personnel Officer, reports there has not been any movement on the request; he will, however, look into it and report back to the Board.
- Update Regarding Rulemaking Project: On April 13th, the Board received verbal confirmation from Ms. Michelle Phinney, DHMH Regulations Coordinator, that the hold on the Regulations has been cleared by the AELR Committee, with the exception of COMAR 10.43, Chapter 16 (Recordkeeping) and Chapter 20 (Continuing Education). These two Chapters are withdrawn from the Project for now, but will be re-considered/studied at a later date. The Board Counsel and the Board Director will meet on this issue; a Subcommittee, chaired by Ms. Biagiotti, will also be formed.
- Update Regarding the 2011-2013 C.A. Biennial Renewal: On February 10, 2011, the Board mailed renewal information to 562 active C.A.s outlining the process of renewing on-line. The following stats are as of April 13th: 1) 437 C.A.s had renewed on-line (fees deposited: \$109,850.00); 2) 9 paper renewals received (\$2,450 deposited; includes one \$200.00 late fee); 3) 3 C.A.s voluntarily non-renewed; 4) 20 C.A.s were identified as tax-delinquent (14 cleared/processed); and 5) 42 C.A.s were audited (32 processed). The deadline for renewing was March 31, 2011; any C.A. who renews in April will have to pay an additional \$200.00 late fee (\$450.00 total). According to most comments electronically received by the Board, the on-line renewal process proved to be successful—with minimal problems. NOTE: C.A.s who have not renewed by May 1st will be listed as “non-renewed” in the State’s database. Any C.A. who wishes to renew once he/she has been listed as non-renewed will have to pay \$750.00 (\$250.00 renewal fee, \$200.00 late fee, and \$300.00 reinstatement fee) and submit current CEUs/CPR card.
- Updates/Additions to the Board’s Websites: The Board has made two major changes to its websites: 1) The list of Board-approved chiropractic CEU courses is now posted on-line and will be updated, as appropriate; and 2) The General Agendas and General Minutes from October 2008 through the present are now posted on-line. [NOTE: The Massage Therapy Advisory Committee was officially abolished by the legislature October 1, 2008.] Anyone who wants a copy of any General Agenda/General Minutes prior to October 2008 will have to contact the Board in writing.

Discussion regarding E-Mail Consensus – Dr. O’Hara

Dr. O’Hara discussed the ethical issue of an E-mail previously sent to Board Members regarding the subject of a custodial parent who wants his/her child to be treated by a doctor when the other parent is adamantly against it. The Board held a full discussion, giving examples and opinions of various scenarios. Most Board Members agreed that it comes down to what is in the best interest of the child. Board Counsel discussed that legally a child can be treated—if the doctor does not have prior knowledge of the parents’ opposing views regarding treatment.

Petition from Mr. Sergey A. Krupnov, Massage Applicant

Mr. Krupnov petitions the Board to accept the current educational credentials from his medical school in Russia and the unaccredited massage school training he received. The Board motioned to table the petition for further investigation. Dr. Fedorczyk supported the motion; Dr. Kraus seconded, and the motion was unanimously voted.

Petition from Mr. Tom Philip, LMT

Mr. Philip petitions the Board to accept his expired certificate (expiration date, March 21, 2010) for 20 CEUs to be used in renewing his massage license. Mr. Philip stated he was out of the country on vacation and, therefore, could not renew on time. Dr. Fedorczyk made a motion to deny Mr. Philip's petition; Ms. Harrison seconded, and the motion was unanimously voted.

Miscellaneous

1. One of the new applicants who took the jurisprudence examination today reported she did not find the Study Guide posted on the Chiropractic Website very informative. What is loaded on the site is the Chiropractors “Practice Guide” which provides licensees information on scope of practice and common issues of concern.)
2. The Board will make certain that the official Chiropractic Assistants’ (C.A.) Applicant In-Service Training Log is readily accessible on-line to supervising chiropractors who must notify the Board of newly hired C.A. applicants and log in the number of hours that the applicant is in training.
3. Mr. Ford, Board Investigator, presented the Board with two versions (large and small screens) of the Netbook for their review; all members preferred the larger screen version. Netbooks for each Board Member will be stored here at the Board office and will be uploaded monthly, via a thumb drive, with meeting and hearing materials.

Board Secretary/Treasurer**
