

# Community Behavioral Health Ratesetting Update

**Jennifer McIlvaine**

**Director of Finance - Medicaid**

**July 14, 2020**

# Current Status

---

- RFP is under development
  - Background information is complete
  - Procurement staff are working on technical/boilerplate language
  - Scope of Work is being finalized

# Proposed Revised Scope

---

- Phase 1 (RFP currently under development)
  - Financial reporting technical assistance for providers
  - Development of a cost report(s) that providers will be expected to submit to MDH
- Phase 2 (RFP to be developed at a later date)
  - Cost study
  - Development and implementation of cost-based rates

# Provider Types Included

---

- Phase 1: Outpatient Mental Health Clinics, Substance Use Disorder Programs, and Opioid Treatment Programs
- Other provider types (such as individual therapists and therapy group practices) may be included in a later phase

# Examples of Cost Reporting

---

- HealthChoice Financial Monitoring Report (distributed to this group last year)
- Community Mental Health Center Cost Report
  - [https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/Downloads/P152\\_45.zip](https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/Downloads/P152_45.zip)
- There will likely not be a one-size-fits-all cost report for every provider type

# Technical Advisory Group

---

- Will consist of provider COOs/CFOs nominated by CBH, MATOD, and MADC
- Group charter will be distributed within the next month
- Meetings will be once a month unless needed more frequently at specific points in the project
- Purpose will be to provide feedback from an operational/technical perspective
