# State of Emergency Enrollment Flexibilities

---

- Extension of Medicaid License Expiration Dates - through September 30, 2021.
- Maintained active Medicaid status for providers whose professional licenses were/are set to expire between 01/01/2020-09/30/2021.
- Reactivated providers in Medicaid whose licenses had expired just prior to the beginning of the State of Emergency.
- There are ~8,000 providers who need to renew their license with their professional Board in order for Medicaid to continue payment without interruption.
