RE: Medicaid Billing and Enrollment for Provider Type 32

NOTE: Please ensure that the appropriate staff members in your organization are informed of the content of this transmittal.

 For dates of service after 12/31/2014, managed care organizations (MCOs) will not be responsible for payment to providers delivering substance use disorder (SUD) services as listed in the updated COMAR 10.09.70, available at: <http://www.dsd.state.md.us/MDRegister/4120.pdf>. These services will instead be authorized and reimbursed by the Department's Administrative Services Organization (ASO), ValueOptions (VO). The following information further clarifies policies for Opioid Maintenance Therapy providers enrolled with Medicaid. There will be separate transmittals related to other provider types.
