

SECOND PUBLIC NOTICE FOR MARYLAND MEDICAID ENTERAL SUPPLIES REIMBURSEMENT

On December 18, 2020, the Maryland Department of Health published a public notice soliciting comments for a change that proposed to amend its State Plan to increase the Maryland Medicaid reimbursement rates for enteral and parenteral therapy supplies. Comments regarding that notice could be submitted until January 18, 2021. No comments were received for this change. As such, for dates of service beginning February 1, 2021, Maryland Medicaid will increase provider reimbursement for enteral and parenteral therapy supplies (B codes) from 80 percent of the January 2020 Medicare rates to 85 percent of the July 2013 Medicare rates. This rate change represents an estimated \$1,049,262 increase in total funds (50% percent state funds, \$524,631; 50% percent federal funds, \$524,631).
