MARYLAND MEDICAL ASSISTANCE PROGRAM

Hospice Transmittal No. 21

October 26, 2021

To: Hospice Providers

From: Marlana R. Hutchinson, Director
Office of Long Term Services and Supports 

Subject: Federal Fiscal Year 2022 Hospice Rates

Note: Please ensure the appropriate staff members in your organization are informed of the contents of this transmittal.

Attached are the Maryland Medicaid Program's hospice payment rates for Federal Fiscal Year 2022 (October 1, 2021 – September 30, 2022). These rates are calculated based on the annual hospice rates established under Medicare. They are authorized by Section 1814(i)(1)(C)(ii) of the Social Security Act.

Section 3004 of the Affordable Care Act established a quality reporting program for hospices. Section 1814(i)(5)(A)(i) of the Social Security Act requires that the Secretary shall reduce the market basket update by two percentage points for any hospice provider that does not comply with the quality data submission requirements. Accordingly, we have reduced the Maryland Medicaid rates for non-compliant providers by two percentage points as shown in Table 2: Reduced Market Basket Update.

The hospice cap runs from October 1st of each year ending September 30th of the following year. The latest hospice cap amount for the year ending September 30, 2022, is \$31,297.61. Information regarding the FFY 2022 hospice wage index and the cap amount may be found on the CMS website at <https://www.medicaid.gov/medicaid/benefits/hospice/payment/index.html>.

If you have questions concerning Maryland Medicaid hospice rates, please contact Ms. Leslie Jackson, Hospice Program, at (410) 767-1714 or at leslie.jackson@maryland.gov.
