**NOTE:** Please ensure that appropriate staff members in your organization are informed of the contents of this memorandum.

---

The purpose of this memo is to clarify the submission of wheelchairs to Telligen as well as updating the procedure code list referenced in memo dated September 2, 2016.

Effective October 1, 2016, procedure code K0005 (ultra light wheelchair) should be submitted to Telligen. When submitting requests for wheelchairs, please include all components requiring pre-authorization. Separating wheelchairs and accessories will delay the processing of your request.

Your patience and cooperation during this process is greatly appreciated. If you have any concerns regarding this matter, feel free to contact me at (410) 767-7283 or at [deneen.ratchford@maryland.gov](mailto:deneen.ratchford@maryland.gov).
