Re: January 1, 2015 through March 31, 2015 revised rates for nursing facility services.

Enclosed are your facility's revised prospective payment rates for days of service from January 1, 2015 through March 31, 2015. Please disregard the previous rate letter that accompanied Nursing Home Transmittal No. 253. These rate letters reflect a correction to the add-on payment for the Quality Assessment. If your facility is exempt from the Quality Assessment, your rate is not affected.

Please check the provider number at the top of the enclosed rate letter to ensure that you have received the correct data. A copy of these rates should be furnished to your accountant or bookkeeper for setting up your accounts.

Please see the additional instructions on our website for more information about new reimbursement methodology and billing instructions.
