Re: Surrender of Pharmacy License  
License Number: 06644  
Case Number: 08-1002

Dear Mr. Taylor and Members of the Board:

Please be advised that I have decided to surrender my license to practice pharmacy in the State of Maryland, License Number 056644. I understand that I may not give pharmacy advice or treatment to any individual, with or without supervision and/or compensation, cannot dispense medicine or assist in the dispensing of medicine or otherwise engage in the practice of pharmacy, as it is defined in the Pharmacy Practice Act (the "Act"), Md. Health Occ. Code Ann. § 12-101, *et seq.*, (2005 Repl. Vol. and 2008 Supp.). In other words, as of March 9, 2010, the effective date of this Letter of Surrender, I understand that the surrender of my license means that I am in the same position as an unlicensed individual.

I understand that this Letter of Surrender is a **PUBLIC** document.

My decision to surrender my license to practice pharmacy in Maryland has been prompted by an investigation of my licensure by the Maryland Board of Pharmacy (the "Board").

The Board's investigation resulted in charges under the Act. Specifically, the Board charged me with the commission of prohibited acts under § 12-313:

(b) Subject to the hearing provisions of § 12-315 of this subtitle, the Board, on the affirmative vote of a majority of its members then serving, may deny a license to any applicant, reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the applicant or licensee:

- (2) Fraudulently or deceptively uses a license;
- (21) Is professionally...mentally incompetent;
- (25) Violates any rule or regulation adopted by the Board;

Donald Taylor, P.D, President and Members of the Board

The Board also charged me with violation of its Pharmacist and Pharmacy Technician Code of Conduct, Code Md. Reg. tit. 10 §.34.10. (January 28, 2008):

.01 Patient Safety and Welfare.

A. A pharmacist shall:

(1) Abide by all federal and State laws relating to the practice of pharmacy and the dispensing, distribution, storage, and labeling of drugs and devices, including but not limited to:

(a) United States Code, Title 21,

(b) Health-General Article, Titles 21 and 22, Annotated Code of Maryland,

(c) Health Occupations Article, Title 12, Annotated Code of Maryland,

(d) Criminal Law Article, Title 5, Annotated Code of Maryland, and

(e) COMAR 10.19.03;

B. A pharmacist may not:

(1) Engage in conduct which departs from the standard of care ordinarily exercised by a pharmacist;

(3) Engage in unprofessional conduct.

The above charges were based upon my withholding the copays for drugs that I dispensed from my employer to my family and my son's family, amounting to approximately \$20,000. I pled "not guilty" to an agreed statement of facts regarding a charge of "theft scheme, \$500+, and, on September 14, 2007, in the Circuit Court for Carroll County, the judgment was stayed, and I was given unsupervised Probation for five years. In addition, I repaid the full \$20,000 on that date.

I affirm that I was served with a copy of the charging document and have otherwise been advised on the Board's actions through communications with representatives of the Office of the Attorney General and my legal counsel.

I have decided to surrender my license to practice pharmacy in Maryland to avoid further prosecution of the aforementioned charges. The basis for the charges against me include the findings of the investigations described above, and, by virtue of this Letter of

Surrender, I waive any right to contest those charges and findings. I wish to make it clear that I have voluntarily, knowingly and freely chosen to submit this Letter of Surrender. I understand that, by executing this Letter of Surrender, I am waiving any right to contest these findings in a formal evidentiary hearing at which I would have had the right to counsel, to confront witnesses, to give testimony, to call witnesses on my own behalf and to all other substantive and procedural protections provided by law, including the right to appeal.

I hereby affirm that I have permanently terminated any practice that I had in Maryland.

I acknowledge that, on or before the effective date of this Letter of Surrender, I shall present to the Board my pharmacist license, number 06644, including any renewal certificates and wallet-sized renewal cards.

I understand that the Board will advise any data agency that it must report to of this Letter of Surrender, and, in any response to inquiry, that I have surrendered my license in lieu of disciplinary action under the Act as resolution of the matters pending against me. I also understand that, in the event I would apply for licensure in any form in any state or jurisdiction, this Letter of Surrender, and all underlying documents, may be released or published by the Board to the same extent as a final order that would result from disciplinary action pursuant to Md. State Gov't Code Ann §10-611, et seq., (2004 Repl. Vol.).

I further recognize and agree that, by agreeing to this Letter of Surrender, my license will remain surrendered forever. In other words, I agree never to apply for reinstatement of my pharmacist license in the State of Maryland.

I acknowledge that I may not rescind this Letter of Surrender in part or in its entirety for any reason whatsoever. Finally, I wish to make clear that I have consulted with an attorney before signing this Letter of Surrender. I understand both the nature of the Board's actions and this Letter of Surrender fully. I acknowledge that I understand and comprehend the language, meaning and terms and effect of this Letter of Surrender. I make this decision knowingly and voluntarily.

Sincerely,

Wayne Glover
