**CONSENT ORDER**

**Background**

The Maryland Board of Pharmacy (the “Board”) received notice from Tyler M. Treharne, Pharm.D. (the “Respondent”), that the Respondent had been disciplined by the Oregon Board of Pharmacy as a result of violations of Oregon state law regarding the supervision of a pharmacy, and specifically, the supervision of compounding of human drugs.

In lieu of instituting formal proceedings against the Respondent, in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 *et seq.*, the Board and Respondent, have agreed to resolve this matter as set forth in this Consent Order.

**FINDINGS OF FACT**

1. On or about March 6, 2015, the Respondent was issued a license to practice pharmacy in Maryland. The Respondent’s license is active and will expire on November 30, 2016.
2. The Respondent is designated by Strohecker’s Pharmacy, a non-resident pharmacy permit holder, as the Maryland licensed pharmacist on staff, in accordance with Md. Code Ann., Health Occ. Art. § 12-403(e).
3. The Respondent supervises the compounding and dispensing of, among other

things, patient-specific sterile compounded products, including testosterone cypionate.

4. On or about November 12, 2015, the Respondent entered into a Consent Order with the Oregon Board of Pharmacy. The Consent Order was based on various violations of the Oregon Annotations Revised related to the Respondent's supervision of the compounding of testosterone cypionate, Lot #T-1201S14. The Respondent disputed the allegations.
5. Specifically, the Oregon Board of Pharmacy found that Lot #T-1201S14 of testosterone cypionate was inadvertently mixed with estradiol valerate resulting in misbranded testosterone cypionate being dispensed to 351 patients in 35 states.
6. One Maryland physician administered the misbranded product to a patient.
7. The Oregon Board of Pharmacy imposed against the Respondent a civil penalty of \$20,000, with \$13,000 stayed pending compliance with the terms of the Oregon Consent Order and no similar violations for three (3) years.
8. On November 20, 2015, the Respondent duly notified the Board regarding the Oregon Board of Pharmacy action.

#### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, the Board concludes that Tyler M. Treharne, Pharm.D., License Number 23173, is subject to discipline in accordance with Md. Code Ann., Health Occ. § 12-313(b)(24).
