[Equity in the Center](#)

Equity in the Center works to shift mindsets, practices, and systems within the social sector to increase race equity. We believe in a future where nonprofit and philanthropic organizations define, implement, and advance race equity internally while advocating and centering it in their work externally.

[Philanthropic Initiative for Racial Equity \(PRE\)](#)

The goal of the Philanthropic Initiative for Racial Equity (PRE) is to increase the amount and effectiveness of resources aimed at combating institutional and structural racism in communities through capacity building, education, and convening of grantmakers and grantseekers.
