## Here's how it works:

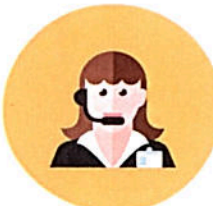

### 17,000+ Resources

Both private and public options are available throughout Maryland, learn about community services like assisted living, meals, medication management, Medicare, Medicaid, caregiver support, transportation, personal care, healthy living, and dementia.

### Search Our Website

MarylandAccessPoint.info allows you to **EXPLORE** your options, **SEARCH** for resources, **CONNECT** with your local MAP, and **PLAN** to take action before a crisis happens.

### Call Us

Speak with an Options Counselor by calling **1 (844) 627-5465**. Our staff is "person centered", which means we put **YOU** first. Options Counselors are available Monday through Friday.

### Come See Us

We have over **20 locations** across Maryland. Schedule a visit to speak with an Options Counselor today.

## LAST YEAR, WE...

### MARYLAND ACCESS POINT

YOUR LINK TO HEALTH & SUPPORT SERVICES

MAP helps **Older Adults, Caregivers, and Individuals with Disabilities** stay independent, have personal choice, and streamlined access to over **17,000 local resources**.
