About Us

Since 2006, The National Clinical Training Center for Family Planning has delivered continuous, high quality clinical skills training and resources to health care providers within the Title X and related public health communities. By providing current clinical protocols using new technologies and national standards, the NCTCFP trains and supports clinical family planning Nurse Practitioners, Certified Nurse Midwives, Physicians and Physician Assistants through competency-based modalities.

Supported by The Office of Population Affairs (OPA) the NCTCFP works closely with The Family Planning National Training Center (FPNTC) to address the needs of Title X family planning service grantees and providers in a continuous and comprehensive manner.

The CTCFP achieves its mission through offering unique & accessible training to the Title X community and is committed to the goal of delivering high quality skills development. We invite you to explore the on-line E-Learning and onsite training opportunities we offer, as well as resources to assist you in meeting the needs for quality family planning.

E-Learning

<https://www.hhs.gov/opa/guidelines/program-guidelines/program-requirements/index.html>

The screenshot shows the HHS.gov website interface. At the top, there is a blue header with the HHS.gov logo and the text "U.S. Department of Health & Human Services" and "Office of Population Affairs". Below the header is a search bar with the placeholder text "I'm looking for...". To the right of the search bar is a magnifying glass icon and the text "HHS A-Z Index". Below the search bar is a navigation menu with several buttons: "Pregnancy Prevention", "Reproductive Health", "Title X", "Guidelines", "Performance Measures", "About OPA", and "Grants & Funding". Below the navigation menu is a breadcrumb trail: "HHS Home > OPA > Guidelines > Program Guidelines > Title X Program Requirements". Below the breadcrumb trail is a sidebar with a search bar and a list of categories: "Guidelines", "Program Guidelines", "Program Requirements", and "Clinical Guidelines". The main content area is titled "Title X Program Requirements" and contains a "NOTE" section, a paragraph of text, and a "Resources" section with two bullet points.

Title X Program Requirements

NOTE: On March 4, 2019, the U.S. Department of Health and Human Services published a final rule in the [Federal Register](#) that revises the regulations governing the Title X family planning program. The Program Requirements document and related source materials are currently being updated to reflect the revised regulations.

The *Program Requirements for Title X Funded Family Planning Projects* were developed to assist current and prospective grantees in understanding and implementing the family planning grants program authorized by Title X of the PHS Act (42 U.S.C. 300 *et seq.*). The document is organized into 16 sections that describe the various requirements applicable to the Title X program, as set out in the Title X statute and implementing regulations (42 CFR part 59, subpart A), and in other applicable Federal statutes, regulations, and policies.

Resources

- [Providing Quality Family Planning Services Recommendations - PDF](#)
- The [Family Planning National Training Center \(FPNTC\)](#) provides resources, materials, and educational opportunities to enhance the capacity of Title X family planning grantees and sub-recipients, as well as other healthcare providers, to deliver high quality reproductive health services.
