ICD-10 Codes can be found on the above hyperlink.

The screenshot displays the ICD-10 Coding Research Tool interface. At the top left is the CDC logo and text: "Centers for Disease Control and Prevention, CDC 24/7: Saving Lives. Protecting People™". To the right, it says "April 1, 2020 Addenda (new codes) are now available in the browser tool!" and "HAVE QUESTIONS? Email nchsicd10cm@cdc.gov". Below this is a blue bar with "National Center for Health Statistics". The main heading is "ICD-10-CM" with a "Fiscal Year" dropdown set to "FY2020 - includes April 1, 2020 Addenda". A search box contains "covid". To the right of the search box are links for "Preface | Guidelines | Help Guide | Print" and a "Find code in Tabular List of Diseases" button. Below the search box are two buttons: "Enter Code" and "View". A navigation bar includes "Index to Diseases and Injuries", "External Causes of Injuries Index", "Table of Drugs and Chemicals", and "Table of Neoplasms". The "Index to Diseases and Injuries" section is expanded, showing a list of results for "covid":

- Coronavirus (infection)
 - COVID-19 U07.1
- Disease, diseased - see also Syndrome
 - COVID-19 U07.1
- Infection, infected, infective (opportunistic) B59.9
