

Application for Board Approved Status as a Maryland Psychology Board Ethics Trainer, Peer Supervisor and/or Expert

Ethics tutorial trainer: From time to time, we refer to a psychologist to provide an ethics tutorial. This is used as a remedy to fill in gaps in a licensee's understanding of laws, standards, and regulations. The licensee is responsible for costs associated with this ethics tutorial provided by the ethics tutorial trainer.

Peer Supervisor: There is a need for psychologists to provide supervision to licensed psychologists. Peer supervisors are often used to provide guidance in cases involving standard of care issues. The licensed psychologist being supervised is responsible for costs associated with peer supervision.

Competency Expert: Competency experts are used in judicial proceedings and submit expert reports and testimony at hearings. The Board will provide compensation for expert services provided.

In order to serve in one of these roles, the psychologist must have an active license in good standing for a minimum of 5 years with no history of adverse disciplinary actions. The Board reserves the right to limit the number of applicants approved. The Board will provide relevant orientation for those applicants whose credentials are approved by the Board.
