Information For Visitors

Springfield Hospital Center

Focusing on excellence in recovery

Springfield Hospital Center's goal is that every patient will recover and return to the community. Our expert staff works with patients to give them care and services that will help them recover. We ask you to follow these guidelines to help keep the hospital safe for everyone and a place of healing for our patients.

Visiting hours:

30 minute visits are permitted from 12:30 p.m. to 8:00 p.m. every Saturday & Sunday.

Identification:

Visitors must sign in and out with the security attendant at the main entrance to each patient building.

Storage of items:

Visitors will be asked to store coats, jackets, bags, purses, etc., in cars or lobby lockers.

Entering patient visitation areas:

All visitors are required to go through the metal detector before entering visitation areas. All items that visitors want to bring must go through the metal detector and will be inspected by Security and/or Clinical staff. Any items that visitors refuse to have searched will not be permitted into the patient visitation areas. **Be aware that many items are not allowed in patient visitation areas or in a patient's possession.**

See our website at:

<https://health.maryland.gov/springfield/Pages/home.aspx>

IMPORTANT: Infection Control

Springfield Hospital Center makes every effort to protect our patients and employees from infection. Visitors are possible sources of infection, so we ask you to follow these Centers for Disease Control (CDC) Guidelines when preparing for a visit:

Persons with any respiratory infection symptoms, including COVID-19, should not visit the hospital. Respiratory symptoms, including COVID-19 consist of, but is not limited to: fever, body aches, headache, cough, sore throat, nausea, vomiting, loss of taste and smell and nasal congestion.

Masks must be worn for the duration of all visits and must fully cover the nose and mouth.

Do Not visit for 10 days following the onset of respiratory infection or COVID-19 symptoms or after close contact with someone diagnosed with COVID-19.

NO VISITORS UNDER 18

Please contact the patient's unit if you have questions.

As a visitor to Springfield Hospital Center, you will see this information about safety in all areas occupied by patients:

We work hard to keep patients safe and help them recover. To do this, we do not allow the following behaviors and items:

- Food and beverages of any kind
- Tobacco in any form and tobacco-like products
- Lighters and matches
- Cameras
- Cell phones
- Drug or alcohol use
- Drugs
- Items made of glass
- Items with alcohol in them
- Plastic bags larger than a sandwich bag
- Weapons
- Close physical contact with patients or staff
- Disregard for safety
- Disregard for privacy
- Disruptive behavior
- Harmful behavior towards patients or staff
- Verbal abuse

Visitors who do not follow these rules will have to leave the hospital.

Can I talk to the patient's psychiatrist or any other member of their Treatment Team?

Springfield Hospital Center encourages family and support system participation in the treatment goals for the patient. However, we must protect each patient's confidentiality. A patient must give consent for Springfield staff to provide information to family members or significant others. Consent is voluntary and can be revoked at any time.

How can I reach a patient by phone?

Each unit has a pay phone that may be used to call a patient. The unit staff can give you this number.

May I send mail to a patient?

Mail may be addressed to: Springfield Hospital Center, 6655 Sykesville Road, Sykesville, MD 21784, ATTN: Patient's name and unit

Are children allowed to visit?

No visitors under 18 is allowed.

Can I visit the cemetery?

The cemetery is open to all visitors from dusk to dawn 7-days a week.

Does the hospital have language interpreter services?

We take reasonable steps to have language services available 24 hours per day, 7 days per week, for all necessary services for patients with limited English proficiency. Interpreter services are available 24 hours per day, 7 days per week, for deaf patients. Family members and/or visitors may use interpreter services when visiting the Deaf Unit.

DIRECTIONS

From Baltimore/Points North:

Take the Baltimore Beltway (695) to Exit 18 West (Liberty Road/ MD Route 26). Travel 12 miles west to the intersection of MD Routes 26 and 32 (Eldersburg). Go 1 mile south on MD Route 32 to the hospital entrance on the left.

From Baltimore/Points South:

Take the Baltimore Beltway (695) to Exit 16 West (Route 70). Go about 12 miles to Exit 80 North (MD Route 32). Travel 5 miles north to the hospital entrance on the right.

From Western Maryland:

Take Interstate 70 East towards Baltimore. Take Exit 80 (MD Route 32) and travel north approximately 5 miles to the hospital entrance on the right.

Springfield Hospital Center's Mission

Springfield is a patient-centered psychiatric hospital dedicated to the care and treatment of persons with mental illness within a safe environment. So we ask all visitors to fully comply with the guidelines set forth for visitation to ensure an effective and safe experience for our patients, staff and visitors.
