Maryland Health Care Commission User Fee

The Maryland Health Care Commission currently collects a user fee from eleven “health care practitioner” boards, insurance carriers and third party administrators. The Commission attaches their fee to Board renewal fees and collects the revenue at the end of the year in a lump sum. Please note that this extra money is realized by the Commission, not the Acupuncture Board. The Commission extracts this extra revenue directly from the Board’s budget, in a lump sum, at the end of each fiscal year.

The Board of Acupuncture has incorporated this user fee in its renewal fee over the past 6 years, so you have probably not noticed that the extra fee was being accessed. However, due to budget constraints, the Board can no longer carry this fee separately and must tack on the additional fee starting November 2009.
