CASE NUMBER 19-0014

*** * * * ***

CONSENT ORDER OF REPRIMAND

On or about September 21, 2018, Joshua D. White (the “Applicant”) submitted an initial certification application for Residential Child and Youth Care Practitioner to the Maryland Board for the Certification of Residential Child Care Program Professionals (the “Board”). Upon completion of a criminal history record check as required by Md. Code Ann., Health Occ. Article (“H.O.”) § 20-302, the Board discovered that the Applicant had a criminal history. The Board initiated an investigation. The Applicant submitted to the Board a narrative statement and subsequently provided supporting documentation regarding his charges and disposition.

Based upon the Applicant’s certification application, the court documents acquired during the Board’s investigation, and the Applicant’s narrative statement, the Board voted to offer a Consent Order of Reprimand to the Applicant, in lieu of issuing Charges for violations of the Maryland Residential Child Care Program Professionals Act (the “Act”), H.O. § 20-101 *et seq.* Specifically, the Board finds that the Applicant violated H.O. §§ 20-313(b)(1) (“Fraudulently or deceptively obtains or attempts to obtain a certificate for a...residential child and youth care practitioner...”). As a result of that offer, the Applicant and the Board agreed to the following Consent Order.

FINDINGS OF FACT

The Board finds that:

1. On or about September 21, 2018, the Applicant submitted to the Board an initial certification application for Residential Child and Youth Care Practitioner (the "Application").

2. In the character and fitness portion of the Application, the Applicant answered "NO" to Question 4: "Have you pled guilty, to, [sic] nolo contendere, been convicted of, or received probation before judgment for any criminal act (excluding misdemeanor traffic violations)?"

3. Court records obtained by the Board show that on September 16, 2005, in the District Court of Chesterfield County, Virginia, the Applicant was convicted of misdemeanor possession of marijuana. The Applicant was sentenced to thirty (30) days incarceration with twenty-four (24) days suspended.

4. Court records obtained by the Board also show that on August 8, 2005, in the District Court of Chesterfield County, Virginia, the Applicant was convicted of misdemeanor possession of marijuana. The Applicant was sentenced to sixty (60) days incarceration with sixty (60) days suspended.

5. In a narrative statement submitted to the Board on January 11, 2019, the Applicant acknowledged his criminal history but did not address the issue of his failure to disclose his conviction on his application for certification as a child and youth care practitioner.

CONCLUSIONS OF LAW

Based on the foregoing findings of fact, the Board concludes that the Applicant violated Md. Code Ann., Health Occ. § 20-313(b)(1) ("Fraudulently or deceptively obtains or attempts to

obtain a certificate for a program administrator or residential child and youth care practitioner, or for another...”), in that the Applicant did not disclose his criminal history on his Application for certification.
