CONSENT ORDER OF REPRIMAND

On or about June 29, 2017, Maria Sedgwick (the “Applicant”) submitted an initial certification application for Residential Child and Youth Care Practitioner to the Maryland Board for the Certification of Residential Child Care Program Professionals (the “Board”). Upon completion of a criminal history record check as required by Md. Code Ann., Health Occ. Article (“H.O.”) § 20-302, the Board discovered that the Applicant had a criminal history. The Board initiated an investigation. The Applicant submitted to the Board narrative statements and subsequently provided supporting documentation regarding her charge and conviction.

Based upon the Applicant’s certification application, the court documents acquired during the Board’s investigation, and the Applicant’s narrative statements, the Board voted to offer a Consent Order of Reprimand to the Applicant, in lieu of issuing Charges for violations of the Maryland Residential Child Care Program Professionals Act (the “Act”), H.O. § 20-101 *et seq.* Specifically, the Board finds that the Applicant violated H.O. §§ 20-313(b)(1) (“Fraudulently or deceptively obtains or attempts to obtain a certificate for a...residential child and youth care practitioner...”). As a result of that offer, the Applicant and the Board agreed to the following Consent Order.

FINDINGS OF FACT

The Board finds that:

1. On or about June 29, 2017, the Applicant submitted to the Board an initial certification application for Residential Child and Youth Care Practitioner (the "Application").
2. In the character and fitness portion of the Application, the Applicant answered "NO" to Question 4: "Have you pled guilty, to, [sic] nolo contendere, been convicted of, or received probation before judgment for any criminal act (excluding misdemeanor traffic violations)?"
3. Court records obtained by the Board show that on April 3, 1996, the Applicant was convicted of battery.
4. On August 9, 2018, the Board received a copy of a Petition for Expungement of Records filed by the Applicant in the District Court of Maryland for Baltimore County dated August 6, 2018.
5. On or about August 20, 2018, the Applicant submitted two narrative statements and on or about August 24, 2018 the Applicant submitted an additional narrative statement to the Board addressing her criminal history. The Applicant explained that at the age of nineteen, she was involved in an altercation that resulted in her being charged with assault and "found guilty due to unforeseen circumstances." The Applicant explained that she was placed on probation for one year, which she successfully completed. She stated that she checked "No" on her Application because she believed the case was no longer on her record.

CONCLUSIONS OF LAW

Based on the foregoing findings of fact, the Board concludes that the Applicant violated Md. Code Ann., Health Occ. § 20-313(b)(1) (“Fraudulently or deceptively obtains or attempts to obtain a certificate for a program administrator or residential child and youth care practitioner, or for another...”), in that the Applicant did not disclose her criminal conviction on her Application for certification.
