Maryland State Board of Dental Examiners

Administration of COVID-19 Vaccines in the Dental Setting After August 15, 2021

The Dental Board has received a number of inquiries from its licensees as to whether they may continue to administer COVID-19 vaccines after August 15, 2021. Please see the following links continuing to authorize dentists to administer COVID-19 vaccines and setting forth certain reporting requirements.

Federal order permitting dentists to administer COVID-19 vaccines:
