2.2 Background and Purpose

2.2.1 Project Goals and Purpose

The State is seeking to partner with high quality diagnostic laboratory testing partners for processing of COVID-19 polymerase chain reaction (“PCR”) tests as an integral part of its pandemic response strategy. Specifically, it seeks to partner with contractors in two functional areas.

Functional Area 1 will be awarded to one statewide contractor (and up to two alternate statewide contractors). See Section 4.9.1 for award information. The Functional Area 1 Contractor will provide COVID-19 laboratory services at COVID-19 testing sites statewide, including any remaining counties in Functional Area 2.

Functional Area 2 will be awarded to up to six regional contractors, with no more than one Functional Area 2 award in each region. Bidders may bid on more than one region. Regional awardees will be assigned to any one county within their respective awarded region. Remaining counties within the awarded Functional Area 2 regions shall be assigned to Functional Area 1 Contractors. Because of the highly unpredictable nature of the COVID-19 pandemic, the Department makes no representations or guarantees on the minimum or maximum number of tests it shall require the Contractor to process under the Contract. Historical testing volume estimates are for the Contractor’s information only and do not represent guaranteed volumes of tests to be processed under the Contract. - 4.1.1 A pre-Bid conference (Conference) will be held at the date, time, and location indicated on the Key Information Summary Sheet.
- 4.1.2 Attendance at the Conference is not mandatory, but all interested parties are encouraged to attend to facilitate better preparation of their Bids. If the solicitation includes an MBE goal, failure to attend the Conference will be taken into consideration as part of the evaluation of a bidder's good faith efforts if there is a waiver request.
- 4.1.3 It is highly recommended that ALL Prime Contractors bring their intended subcontractors to the Conference/Site Visit to ensure that all parties understand the requirements of the contract and the MBE Goal.
- 4.1.4 MBE subcontractors are encouraged to attend the Conference to market their participation to potential prime contractors.
- 4.1.5 Following the Conference, the attendance record and summary of the Conference will be distributed via the same mechanism described for amendments and questions (see Section 4.2.1 eMMA).

- 4.5.4 The date and time of an e-mail submission is determined by the date and time of arrival in the e-mail address indicated on the Key Information Summary Sheet.
- 4.5.5 Bids may be modified or withdrawn by written notice received by the Procurement Officer before the time and date set forth in the Key Information Summary Sheet for receipt of Bids.
- 4.5.6 Bids must be forwarded via e-mail submission. Bids will be opened publicly at the date and time indicated on the Key Information Summary Sheet.
- 4.5.7 Potential Bidders not responding to this solicitation are requested to submit the “No Bid Notice/Vendor Feedback” form, which includes company information and the reason for not responding (e.g., too busy, cannot meet mandatory requirements).

4.6 Multiple or Alternate Bids

Multiple or alternate Bids will not be accepted.

4.7 Receipt, Opening and Recording of Bids

- 4.7.1.1 Upon receipt, each Bid and any timely modification(s) to a Bid shall be stored in a secure place until the time and date set for bid opening. Before Bid opening, the State may not disclose the identity of any Bidder.
- 4.7.1.2 Bids shall be opened publicly at the time, date and place designated in the IFB Key Information Summary Sheet (near the beginning of the solicitation, after the Title Page and Notice to Vendors). The name of each Bidder, the Total Bid Price, and such other information as is deemed appropriate shall be read aloud or otherwise made available and recorded at the time of bid opening.

4.8 Confidentiality of Bids / Public Information Act Notice

- 4.8.1 The Bidder should give specific attention to the clear identification of those portions of its Bid that it considers confidential and/or proprietary commercial information or trade secrets, and provide justification why such materials, upon request, should not be disclosed by the State under the Public Information Act, Md. Code Ann., General Provisions Article, Title 4. This information should be identified by page number and placed in the Transmittal Letter with the Bid.
- 4.8.2 The Bids shall be tabulated or a Bid abstract made. The opened Bids shall be available for public inspection at a reasonable time after Bid opening, but, in any case before contract award, except to the extent the Bidder designates trade secrets or other proprietary data to be confidential as set forth in this solicitation. Material so designated as confidential shall

accompany the Bid and shall be readily separable from the Bid to facilitate public inspection of the non-confidential portion of the Bid, including the Total Bid Price.

- 4.8.3 For requests for information made under the PIA, the Procurement Officer shall examine the Bids to determine the validity of any requests for nondisclosure of trade secrets and other proprietary data identified in writing. Nondisclosure is permissible only if approved by the Office of the Attorney General.

4.9 Award Basis and Assignment of Work

- 4.9.1 A Contract shall be awarded to the responsible Bidder(s) submitting a responsive Bid with the most favorable bid price or most favorable evaluated bid price (as referenced in COMAR 21.05.02.13) for providing the goods and services as specified in this IFB. Bidders must bid all line items. Partial or incomplete bids will be rejected unless otherwise stated in the solicitation. See IFB Section 6 for Bid evaluation and award information.
- 4.9.2 Award of this contract will not be final and complete until after: (1) the Contractor submits complete and satisfactory documentation required under the Contract and/or documentation required by the Procurement Officer; and (2) the Contract is signed by the Department following any required approvals of the Contract, including approval by the Board of Public Works if such approval is required.
- 4.9.3 For Functional Area 1, up to two additional awards will be made to the next lowest Bidders. For multiple contract awards, the Contractor with the lowest Bid price will be given the right of first refusal to provide the requested services. If that Contractor is unwilling or unable to perform the requested services, the Contractor with the next lowest Bid price will be asked to provide the requested services, and so forth. Each Contractor will have 1 Business Day to respond to a service request before a request is made to the next subsequent Contractor.
- 4.9.4 Each of the following is considered an “Incident” for the purposes of this section:
- a. Failure to achieve an average weekly turnaround time of 48 hours as determined by CRISP from the point of the Contractor’s specimen retrieval to the point of results posting at any testing site;
 - b. Reporting three or more incorrect results in any month;
 - c. Failure to correct incorrect results reporting timely in accordance with IFB Section 2.3.1.9.

If a Contractor has or exceeds five “Incidents” during the course of the Contract, the Contractor may be deemed to have defaulted on its work, and the next lowest-priced Contractor may be assigned the work. If the defaulting Contractor is a Functional Area 2 Contractor, the next lowest priced Contractor will be the lowest priced available Functional Area 1 Contractor.

4.10 Tie Bids

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

4.11 Duration of Bids

Bids submitted in response to this IFB are irrevocable for the latest of the following: 120 days following the Bid due date and time or the date any protest concerning this IFB is finally resolved. This period may be extended at the Procurement Officer’s request only with the Bidder’s written agreement.

4.12 Revisions to the IFB

- 4.12.1 If the IFB is revised before the due date for Bids, the Department shall post any addenda to the IFB on eMMA and shall endeavor to provide such addenda to all prospective Bidders that were sent this IFB or are otherwise known by the Procurement Officer to have obtained this IFB. It remains the responsibility of all prospective Bidders to check eMMA for any addenda issued prior to the submission of Bids.
- 4.12.2 Bidders shall acknowledge the receipt of all addenda to this IFB issued before the Bid due date.
- 4.12.3 Failure to acknowledge receipt of an addendum does not relieve the Bidder from complying with the terms, additions, deletions, or corrections set forth in the addendum, and may cause the Bid to be deemed not responsive.

4.13 Cancellations

- 4.13.1 The State reserves the right to cancel this IFB, accept or reject any and all Bids, in whole or in part, received in response to this IFB and to waive or permit the cure of minor irregularities.
- 4.13.2 In the event a government entity proposes and receives the recommendation for award, the procurement may be cancelled and the award processed in accordance with COMAR 21.01.03.01.A(4).
- 4.13.3 If the services that are the subject of the IFB are currently being provided under an interagency agreement with a public institution of higher education and the State determines that the services can be provided more cost effectively by the public institution of higher education, then the IFB may be cancelled in accordance with Md. Code Ann., State Finance and Procurement Art., § 3-207(b)(2).

4.14 Incurred Expenses

The State will not be responsible for any costs incurred by any Bidder in preparing and submitting a Bid or performing any other activities related to submitting a Bid in response to this solicitation.

4.15 Protest/Disputes

Any protest or dispute related to this solicitation or the Contract award shall be subject to the provisions of COMAR 21.10 (Administrative and Civil Remedies).

4.16 Bidder Responsibilities

- 4.16.1 Bidders must be able to provide all goods and services and meet all of the requirements requested in this solicitation and the successful Bidder shall be responsible for Contract performance including any subcontractor participation.
- 4.16.2 If applicable, subcontractors utilized in meeting the established MBE or VSBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) to this IFB (see **Section 4.26** “MBE Participation Goal” and **Section 4.27** “VSBE Goal”).
- 4.16.3 If the Bidder is the subsidiary of another entity, all information submitted by the Bidder, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder’s Bid shall contain an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.

- 4.16.4 A parental guarantee of the performance of the Bidder under this Section will not automatically result in crediting the Bidder with the experience or qualifications of the parent under any evaluation criteria pertaining to the actual Bidder's experience and qualifications. Instead, the Bidder's responsibility will be assessed to the extent to which the State determines that the experience and qualifications of the parent are applicable to and shared with the Bidder, any stated intent by the parent to be directly involved in the performance of the Contract, and the value of the parent's participation as determined by the State.

4.17 Acceptance of Terms and Conditions

By submitting a Bid in response to this IFB, the Bidder, if selected for award, shall be deemed to have accepted the terms and conditions of this IFB and the Contract, attached hereto as Attachment M. Any exceptions to this IFB or the Contract must be raised prior to Bid submission. Changes to the solicitation, including the Bid Form or Contract, made by the Bidder may result in Bid rejection.

4.18 Bid/Proposal Affidavit

A Bid submitted by the Bidder must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment C** of this IFB.

4.19 Contract Affidavit

All Bidders are advised that if a Contract is awarded as a result of this solicitation, the successful Bidder will be required to complete a Contract Affidavit. A copy of this Affidavit is included for informational purposes as **Attachment N** of this IFB. This Affidavit must be provided within five (5) Business Days of notification of recommended award. For purposes of completing Section "B" of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), a business entity that is organized outside of the State of Maryland is considered a "foreign" business.

4.20 Compliance with Laws/Arrearages

By submitting a Bid in response to this IFB, the Bidder, if selected for award, agrees that it will comply with all federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Bidder represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and shall not become so in arrears during the term of the Contract if selected for Contract award.

4.21 Verification of Registration and Tax Payment

Before a business entity can do business in the State, it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. For registration information, visit <https://www.egov.maryland.gov/businessexpress>.

It is strongly recommended that any potential Bidder complete registration prior to the Bid due date and time. The Bidder's failure to complete registration with SDAT may disqualify an otherwise successful Bidder from final consideration and recommendation for Contract award.

4.22 False Statements

Bidders are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

- 4.22.1 In connection with a procurement contract a person may not willfully:
- a) Falsify, conceal, or suppress a material fact by any scheme or device.
 - b) Make a false or fraudulent statement or representation of a material fact.
 - c) Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.
- 4.22.2 A person may not aid or conspire with another person to commit an act under Section 4.22.1.

The successful Bidder shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form.
- 4.23.2 Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller's website at:

4.28 Living Wage Requirements

- a) Maryland law requires that contractors meeting certain conditions pay a living wage to covered employees on State service contracts over \$100,000. Maryland Code Ann., State Finance and Procurement Article, § 18-101 et al. The Commissioner of Labor and Industry at the Department of Labor requires that a contractor subject to the Living Wage law submit payroll records for covered employees and a signed statement indicating that it paid a living wage to covered employees; or receive a waiver from Living Wage reporting requirements. See COMAR 21.11.10.05.
- b) If subject to the Living Wage law, Contractor agrees that it will abide by all Living Wage law requirements, including but not limited to reporting requirements in COMAR 21.11.10.05. Contractor understands that failure of Contractor to provide such documents is a material breach of the terms and conditions and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions. Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor website <http://www.dllr.state.md.us/labor/prev/livingwage.shtml>.
- c) Additional information regarding the State's living wage requirement is contained in **Attachment F**. Bidders must complete and submit the Maryland Living Wage Requirements Affidavit of Agreement (**Attachment F-1**) with their Bids. If the Bidder fails to complete and submit the required documentation, the State may determine the Bidder to not be responsible under State law.
- d) Contractors and subcontractors subject to the Living Wage Law shall pay each covered employee at least the minimum amount set by law for the applicable Tier area. The specific living wage rate is determined by whether a majority of services take place in a Tier 1 Area or a Tier 2 Area of the State. The specific Living Wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State.
 - 1) The Tier 1 Area includes Montgomery, Prince George's, Howard, Anne Arundel and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located. If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. In this circumstance, the Functional Area 1 Contract(s) and any Functional Area 2 Contracts servicing Montgomery, Price George's, Howard, Anne Arundel, or Baltimore counties, or Baltimore City will be Tier 1 contracts. The remainder of Functional Area 2 contracts will be Tier 2 contracts.
 - 1) The Contract will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services. The Bidder must identify in its Bid the location(s) from which services will be provided,

- including the location(s) from which 50% or more of the Contract services will be provided.
- 2) If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract.
 - 3) If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract.
- e) If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. See COMAR 21.11.10.07.
- f) The Bidder shall identify in the Bid the location from which services will be provided.
- g) **NOTE:** Whereas the Living Wage may change annually, the Contract price will not change because of a Living Wage change or a change in the State minimum wage. The Contractor shall be responsible for any wage/rate increase during the term of the Contract and such increase may not be passed on to the State.

- 4.30.4 Participation in Drafting of Specifications: Disqualifying Event: Bidders are advised that Md. Code Ann. State Finance and Procurement Article §13-212.1(a) provides generally that “an individual who assists an executive unit in the drafting of specifications, an invitation for bids, a request for proposals for a procurement, or the selection or award made in response to an invitation for bids or a request for proposals, or a person that employs the individual, may not: (1) submit a bid or proposal for that procurement; or (2) assist or represent another person, directly or indirectly, who is submitting a bid or proposal for that procurement.” Any Bidder submitting a Bid in violation of this provision shall be classified as “not responsible.”

6 Bid Evaluation and Award

6.1 Bid Evaluation Criteria

The Bids will be evaluated based on the Total Bid Price, as per COMAR 21.02.13. All responsible Bidders will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Bid Price as submitted on the **Attachment B** - Bid Form.

6.2 Reciprocal Preference

6.2.1 Although Maryland law does not authorize procuring agencies to favor resident Bidders in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. COMAR 21.05.01.04 permits procuring agencies to apply a reciprocal preference under the following conditions:

- a) The Maryland resident business is a responsible Bidder;
- b) The lowest responsive Bid is from a responsible Bidder whose principal office, or principal base of operations is in another state;
- c) The other state gives a preference to its resident businesses through law, policy, or practice; and
- d) The preference does not conflict with a federal law or grant affecting the procurement Contract.

6.2.2 The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

6.3 Award Determination

Award will be made to the responsible Bidder (s) who submits to the State the responsive Bid that has the lowest Total Bid Price.

6.4 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract award, the apparent awardee shall complete and furnish the documents and attestations as directed in Table 1 of **Section 7 – IFB Attachments and Appendices**.

Attachment B. Bid Instructions & Form

B-1 Bid Instructions

In order to assist each Bidder in the preparation of its Bid and to comply with the requirements of this solicitation, Bid Instructions and a Bid Form have been prepared. Each Bidder shall submit its Bid on the Bid Form in accordance with the instructions on the Bid Form and as specified herein. Do not alter the Bid Form or the Bid may be determined to be not responsive. The Bid Form is to be signed and dated, where requested, by an individual who is authorized to bind the Bidder to the prices entered on the Bid Form.

The Bid Form is used to calculate the Bidder's TOTAL BID PRICE. Follow these instructions carefully when completing your Bid Form:

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this IFB and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, e.g., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this IFB and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.
- E) Every blank in every Bid Form shall be filled in. Any changes or corrections made to the Bid Form by the Bidder prior to submission shall be initialed and dated.
- F) Except as instructed on the Bid Form, nothing shall be entered on or attached to the Bid Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions may render the Bid not responsive.
- G) It is imperative that the prices included on the Bid Form have been entered correctly and calculated accurately by the Bidder and that the respective total prices agree with the entries on the Bid Form. Any incorrect entries or inaccurate calculations by the Bidder will be treated as provided in COMAR 21.05.02.12 and may cause the Bid to be rejected.
- H) If option years are included, Bidders must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the IFB at the prices entered in the Bid Form.
- I) All Bid prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the IFB. The Bid price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- J) Unless indicated elsewhere in the IFB, sample amounts used for calculations on the Bid Form are typically estimates for evaluation purposes only. Unless stated otherwise in the IFB, the Department does not guarantee a minimum or maximum number of units or usage in the performance of the Contract.
- K) Failure to adhere to any of these instructions may result in the Bid being determined not responsive.

L) For Functional Area 1, the Bidder's Total Evaluated Bid Price will populate in cell E11 of Tab C in the "Attachment B: Functional Area 1 Statewide" Excel spreadsheet based on the Bidder's pricing in Tab B. The price in this cell will determine a Bidder's competitive rank for Functional Area 1.

M) For Functional Area 2, the Bidder's Total Evaluated Bid Price will populate in cell E11 of the tab(s) for the applicable region(s) for which the Bidder is bidding in the "Attachment B: Functional Area 2 Regional" Excel spreadsheet based on the Bidder's pricing for the respective region in the preceding tab. The price in this cell will determine a Bidder's competitive rank for Functional Area 2 for the respective region(s) for which it is bidding.

B-1 Bid Form

The Bid Form shall contain all price information in the format specified on these pages. Complete the Bid Form only as provided in the Bid Instructions. Do not amend, alter or leave blank any items on the Bid Form. If option years are included, Bidders must submit pricing for each option year. Failure to adhere to any of these instructions may result in the Bid being determined not responsive.

See separate Excel Bid Forms labeled Attachment B: Functional Area 1 Statewide.xls and Attachment B: Functional Area 2 Regional.xls.

An employee is subject to the Living Wage if he/she is at least 18 years old or will turn 18 during the duration of the contract; works at least 13 consecutive weeks on the State Contract and spends at least one-half of the employee's time during any work week on the State Contract.

- D. A Contractor must not split or subdivide a State contract for services, pay an employee through a third party, or treat an employee as an independent Contractor or assign work to employees to avoid the imposition of any of the requirements of Md. Code Ann., State Finance and Procurement Article, Title 18.
- E. Each Contractor/subcontractor, subject to the Living Wage Law, shall post in a prominent and easily accessible place at the work site(s) of covered employees a notice of the Living Wage Rates, employee rights under the law, and the name, address, and telephone number of the Commissioner.

The Commissioner shall adjust the wage rates by the annual average increase or decrease, if any, in the Consumer Price Index for all urban consumers for the Washington/Baltimore metropolitan area, or any successor index, for the previous calendar year, not later than 90 days after the start of each fiscal year. The Commissioner shall publish any adjustments to the wage rates on the Division of Labor and Industry's website. A Contractor/subcontractor who reduces the wages paid to an employee based on the employer's contribution to an employee's deferred compensation plan shall not lower the employee's wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413.
- I. Under Md. Code Ann., State Finance and Procurement Article, Title 18, if the Commissioner determines that the Contractor/subcontractor violated a provision of this title or regulations of the Commissioner, the Contractor/subcontractor shall pay restitution to each affected employee, and the State may assess liquidated damages of \$20 per day for each employee paid less than the Living Wage.

No act by the State or any of its subcontractors that is undertaken under this Contract as to any Software or technology shall be construed as intending to cause any patents, copyrights or other intellectual property that are owned or controlled by the State (or for which the State has received license rights) to become subject to any encumbrance or terms and conditions of any open source license.
- 7.7 The Contractor shall report to the Department, promptly and in written detail, each notice or claim of copyright infringement received by the Contractor with respect to all Deliverables delivered under this Contract.
- 7.8 The Contractor shall not affix (or permit any third party to affix), without the Department's consent, any restrictive markings upon any Deliverables that are owned by the State, and if such markings are affixed, the Department shall have the right at any time to modify, remove, obliterate, or ignore such warnings.

Unless a lesser period is provided by applicable statute, regulation, or the Contract, the Contractor must file a written notice of claim with the Procurement Officer within thirty (30) days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within thirty (30) days of the filing of a notice of claim, but no later than the date of final payment under the Contract, the Contractor must submit to the Procurement Officer its written claim containing the information specified in COMAR 21.10.04.02.

13. Maryland Law Prevails

- 13.1 This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.

14. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, sexual orientation, gender identification, marital status, national origin, ancestry, genetic information, or any otherwise unlawful use of characteristics, or disability of a qualified individual with a disability unrelated in nature and extent so as to reasonably preclude the performance of the employment, or the individual's refusal to submit to a genetic test or make available the results of a genetic test; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

However, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. The statement shall be filed with the State Board of Elections: (a) before execution of a contract by the State, a county, a municipal corporation, or other political subdivision of the State, and shall cover the 24 months prior to when a contract was awarded; and (b) if the contribution is made after the execution of a contract, then twice a year, throughout the contract term, on or before: (i) May 31, to cover the six (6) month period ending April 30; and (ii) November 30, to cover the six (6) month period ending October 31. The Contractor shall provide copies of all documents requested by the State, including, but not limited to itemized billing documentation containing the dates, hours spent and work performed by the Contractor and its subcontractors under the Contract. All records related in any way to the Contract are to be retained for the entire time provided under this section.

25. Right to Audit

- 25.1 The State reserves the right, at its sole discretion and at any time, to perform an audit of the Contractor's performance under this Contract. An audit is defined as a planned and documented independent activity performed by qualified personnel, including but not limited to State and federal

auditors, to determine by investigation, examination, or evaluation of objective evidence from data, statements, records, operations and performance practices (financial or otherwise) the Contractor's compliance with the Contract, including but not limited to adequacy and compliance with established procedures and internal controls over the services performed pursuant to the Contract.

- 25.2 Upon three (3) Business Days' notice, the State shall be provided reasonable access to Contractor's records to perform any such audits. The Department may conduct these audits with any or all of its own internal resources or by securing the services of a third party accounting or audit firm, solely at the Department's election. The Department may copy any record related to the services performed pursuant to the Contract. The Contractor agrees to fully cooperate and assist in any audit conducted by or on behalf of the State, including, by way of example only, making records and employees available as, where, and to the extent requested by the State and by assisting the auditors in reconciling any audit variances. Contractor shall not be compensated for providing any such cooperation and assistance.

- d. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

27. Cost and Price Certification

- 27.1 The Contractor, by submitting cost or price information certifies that, to the best of its knowledge, the information submitted is accurate, complete, and current as of the date of its Bid.
- 27.2 The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Bid, was inaccurate, incomplete, or not current.

28. Subcontracting; Assignment

The Contractor may not subcontract any of its obligations under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer, each at the State's sole and absolute discretion; provided, however, that a Contractor may assign monies receivable under a contract after written notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor's obligations to its subcontractors.

- 29.3. In no event shall the existence of a subcontract operate to release or reduce the liability of Contractor hereunder. For purposes of this Contract, Contractor agrees that all subcontractors are agents of Contractor and Contractor is responsible for performance of the services and compliance with the relevant obligations hereunder by its subcontractors.

30. Commercial Nondiscrimination

- 30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State’s Commercial Nondiscrimination Policy, as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry, national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual’s refusal to submit to a genetic test or make available the results of a genetic test or on the basis of disability, or otherwise unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.
- 30.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended from time to time, Contractor agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, and to provide any documents relevant to any investigation that are requested by the State.

Contractor understands that violation of this clause is a material breach of this Contract and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions.

- 30.4 The Contractor shall include the language from 30.1, or similar clause approved in writing by the Department, in all subcontracts.

31. Prompt Pay Requirements

- 31.3 An act, failure to act, or decision of a Procurement Officer or a representative of the Department concerning a withheld payment between the Contractor and a subcontractor under this **section 31**, may not:

- (c) Result in liability against or prejudice the rights of the Department.

- 31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the MBE program.

 - ii. Inspecting the jobsite; and

Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.
- (c) If the Department determines that the Contractor is in material noncompliance with MBE Contract provisions and refuses or fails to take the corrective action that the Department requires, then the Department may:
- i. Terminate the Contract;
 - ii. Refer the matter to the Office of the Attorney General for appropriate action; or
 - iii. Initiate any other specific remedy identified by the Contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.
