**Vendor Questions and Answers #8**

**1. Question:** (Chart 3) Upon review of the Chart 3, some of the performance measures listed for Qualified Providers (i.e., 3, 4, and 6) do not match the performance measures from the RFP (2.3.2.5.4) or waiver applications. In addition, Chart 3 appears to be missing performance measure #7 (PM7) which pertains to self-directed staff. Can you please clarify which set of performance measures we should respond to? If not those in Chart 3, it would also help to have FY 21 Projected Sample Universe for those performance measures currently missing from that chart.

**Response:** Please see the updates to Chart 3 - Annual Performance Measure Reviews - FY 21 Projected Sample Universe - **Revised 8-17-2021** for Qualified Providers PM 3, 4, and 6 to align with the federally approved waivers programs. Performance measure #7 is a new measure for which data and reporting has not previously been conducted. Request for FY21 data from the existing DDA Fiscal Management Services providers will be shared once received.
